

MEMORANDUM

Business Item D

From: Administrator/Staff

To: Town Board

Re: Town Board review & discussion of a request for action in stormwater management from the property owner located at W8136 Winnegamie Dr, Neenah, specifically an additional culvert.

The owners of Bennett's Auto located at W8136 Winnegamie Dr (Village of Greenville) requested the Town take action regarding some flooding on their property during the rain events in June/early July.

Administrator Wisnepske and Engineer Werner evaluated the existing culvert and stormwater management system, and Engineer Werner has provided comments for the Board to consider. The property is located within the Village of Greenville, and they receive funds for stormwater management as a special charge included within the tax bill (sample included).

Administrator Wisnepske will be available at the meeting for any questions the Board may have.

DISCUSSION ITEM ONLY – NO ACTION TO BE TAKEN
