Re: Commodity Percentages for January – December 2023

The commodity percentages for January –December 2023 are summarized below. The Tri-County Recycling Facility processed 100,485 tons of single stream recycling during this timeframe (~7% decrease from January – December 2022). Please email or call me if you have questions.

<u>Material</u>	<u>% Jan-Dec 2023</u>
Aluminum	1.52%
Plastic #1 and # 2	4.99%
Glass	20.88%
Tin/Steel	2.21%
Cardboard	24.73%
Mixed paper	35.93%
Residual (landfilled)	9.75%
Total	100%
