Town of Clayton
848 Hickory Avenue
Larsen, WI 54947

Attn: Kelly Wisnefske

Re: Marty Nikodem 2770 Town Court Neenah

We are requesting a waiver for the above-mentioned project.

1. Solar reflective index, we are using the same roof panel as the existing building, so it will nest and look the same. The new addition will have higher R values in the roof and walls which will offset the reflective index.
2. Exterior wall materials will be the same as the existing building for a uniform look across the face of the building.

Thank you,

A handwritten signature in black ink, appearing to read 'Steve Schmidt', written over a white background.
