Re: Request Amending ATV/UTV Ordinance 2024-002

I am writing this letter on behalf of myself, all ATV/UTV enthusiasts in Winnebago County, and the Winnebago County ATV Alliance who are requesting a review of the Town of Clayton's ATV/UTV Ordinance 2024-002.

On June 17, 2025 the Winnebago County Board voted to amend their ordinance, Section 7.16 of the General Code of Winnebago County: All-Terrain Vehicle/Utility Terrain Vehicle Routes and Regulations passing the changes with a vote of 26 to 5. The major changes were:

- 1) Eliminating time of operation.
- 2) Eliminating car count.
- 3) Change speed limit to regular posted speeds.
- 4) Opening more county highways.

With this passage we are going back to all Townships to amend their ordinances to follow the County Ordinance. These changes were approved by the Winnebago County Sheriff's Office. We are looking to obtain uniformity in the county to allow proper enforcement.
