Hi Clerks

The Solid Waste & Recycling Agreement is due to expire at the end of the year and will need to be re-signed. The agreement is being re-written. It is not expected to have any substantial changes. The changes will reflect the fact that Winnebago County only operates a transfer station and not a landfill.

In July I plan to attend the following town board meetings:

Winchester - July 1

Clayton - July 3

Wolf River - July 22
