TO DO

Follow up. Start by Tuesday, August 29, 2023. Due by Tuesday, August 29, 2023.

Hi Clerks

Summer is coming to an end too quickly. August 22 was the annual family night for all of the county employees. It is a great event to show appreciation for all the work the employees do to help the county government run smoothly.

Preparation for the 2024 budget has already started. Many departments have already turned in their budgets to the county executive and he is busy reviewing them. This will be the biggest issue over the next couple of months.

In September I plan to attend the following town board meetings:

Clayton - Sept 6

Winchester - Sept 18

Wolf River - Sept 25
