DPS Report to Town Board

As of October 1st. the Dept. has been paged out for 188 calls. 113 were EMR calls and 55 were fire calls, and 20 were both. This compares to 185 to date in 2025. This puts us right at pace for 2025.

We are very fortunate to now have 35 members on our roster. Of the 35, 30 are Emergency Medical Responders. The nationwide trend is that fire departments are hurting for members. Please thank your neighbors and friends who have answered the call to serve the residents of the Town and surrounding areas.

Winter is around the corner. Be sure to have contingency plans in case there is an emergency. Warm clothes, food and water. Both at home and for your vehicle.
