Hi All

At the May County Board meeting we honored the 9 high school seniors who received a scholarship from the county board.

This included two students from Neenah High school:

Brennda Picket

Olivia Hanneman

And included two students from Winneconne High School:

Genevieve Quam

Hailey Domke

In June I plan to attend the following town board meetings

Winchester – June 1

Wolf River – June 22

Have a blessed day

Howie
