## MOTION

**Motion made** by Commissioner Nemecek, **Seconded** by Commissioner Sleik to recommend approval of the Site Plan Application submitted by McMahon Associates on behalf of Chris & Brittany Voigt with the following conditions:

1. Applicant must provide proof of application and copies of approved permits to the Town. This includes but is not limited to state commercial building code, construction site erosion control and stormwater management at county and/or state level, livestock / animal waste management permits, private sanitary system permit, and others as relevant to the site construction and use prior to any construction beginning on the site.
2. Applicant shall provide plans to the Town for the handling and disposal of animal waste generated onsite. This is separate and in addition to the permits for such from the regulating agencies prior to any construction beginning on the site.
3. The final approved site plan as required in 9.07-181 must include the location for stormwater facilities and any required onsite animal waste management facilities or storage areas prior to any construction on the site.
4. Sign(s) on the property must be modified or relocated to be compliant with standards applied to other zoning districts that allow the commercial stable use, including the applicant obtaining any permits as required for such signs and placement within 6 months after the date of approval.
5. Applicant shall provide SRI values for the building materials. Values must meet the Town minimum standards as described in Attachment C prior to any construction on the site.
6. All landscaping required in this approval shall be installed within six months of occupancy of the building. Extensions to this timeline must be done through specific approval by the Town Board.
7. Applicant shall submit updated lighting plans showing compliance with 9.08-210 and install those compliant fixtures as required by the Town standards prior to any construction on the site.
8. No additional buffer yard landscape screening be required along the east, west, or south lot lines—acceptance of the provided building landscaping plan for the east aspect of the building. If any of the buffer yard landscaping is removed, it must be replaced to maintain the status quo at the time of approval within 6 months of removal.
9. No additional parking lot landscaping is required.
10. Regarding access to the site, maintenance is to be done within six months of the date of the approval to perform maintenance on the vegetation near the driveway, including but not limited to tree trimming, coordinating with both the Town of Clayton & Village of Greenville.
