### TO DO

**i** Follow up. Start by Tuesday, March 26, 2024. Due by Tuesday, March 26, 2024.

Hi Clerks

This month the Sheriff's Department received a grant from the U.S. Department of Justice that will allow them to replace their three Ice Rescue Airboats.

This past meeting ended my first term as your county board supervisor. I believe I will be allowed to continue serving your community with another term. In April I plan to attend the following town board meetings.

Clayton - April 3

Winchester - April 15

Wolf River - April 22
