

MEMORANDUM

Business Item A

From: Administrator/Staff

To: Plan Commission

Re: Plan Commission review & discussion of proposed zoning ordinance text amendments to revise for clarity and consistency, including but not limited to scrivener's/grammatical errors, and to ensure compliance with current state statutes.

Staff is working toward creating a single, complete zoning ordinance document. Included are some proposed changes that would clarify scrivener's & grammatical errors, as well as possibly remove some references to the County that were missed in previous updates.

Alongside these changes, outdated statute references and previously enacted updates (e.g., backyard chickens, short-term rentals, etc.) will be incorporated into the document. Those are not included in your packets, but are available for review on the Town website.

DISCUSSION ITEM ONLY – NO ACTION TO BE TAKEN

Respectfully Submitted,
Kelsey
