

Town of Clayton

Department of Public Safety

August 29th. 2024

DPS Report to Town Board

As of August 29th 2024 the Dept. has been paged-out for 179 calls. Ninety-three were EMR calls and seventy-one were fire calls, and fifteen, that were both. This compares to 166 to date in 2023. This is an increase of 9.6% over 2023. If you get an opportunity, please say thank you to the hard-working men and women of CFR who are stepping up to the challenge of the additional call volume.

CFR has taken part in several public education opportunities. Approximate number of people interacted with at each event are listed after the event.

- August 3rd. Fox Crossing Fire's SOAR event (60)
- August 10th. Brennand Airport's Old-Time Hanger days (225)
- August 17th. Our Touch-A-Truck event (250)

The members have been training on vehicle extrication the last few months. For our August training session we went to Gibson's Iron and practiced more advanced evolutions. We had a car that had run under a semi trailer, a pick-up upside down in a simulated ditch with no access to the doors, and also a car on its side that needed to be stabilized before any cutting could be done.

We are looking for rescue heroes to join our department. Your help in spreading the word is appreciated.

Please consider donating blood. The need is great, and donors are in short supply.

Please contact me with questions or concerns,

Director Rieckmann
