Hi All

The county board session is ending soon, with the election coming next month. The makeup of the board will be different as 9 incumbents will not be on the ballot, and 11 other county board seats are contested. We will see how things turn out on April 7.

I plan to attend the following town board meetings in April:

Clayton – April 1

Winchester – April 20

Wolf River – April 27

Hope everyone has a Blessed Easter

Howie
