WHAT IS BEING ASKED OF THE CITY COUNCIL/BOARD:

The City Council is being asked to consider extending the closure of roads to reduce illegal dumping and to protect the environment and public health and welfare.

BACKGROUND/DISCUSSION:

In January of 2022 the City Council had a public hearing and authorized the closure of certain roads to prevent illegal dumping and other illegal activities. Subsequent to this action the city purchased thousands of feet of K-Rail construction barrier, gates and other materials to physically block off the area. While initially effective additional work has been required to strengthen the physical barriers a few times. Staff does believe that the operation has been undoubtably effective in controlling illegal dumping in the area and an extension is warranted. The California Vehicle Code requires a public hearing be conducted every 18 months to extend the road closure.

The impacted areas, commonly referred to as the Gobi Desert, is a largely undeveloped area of the city, which is west of Acacia, north of Sonoma, east of Park and south of Eastlake. The closure shall include all or portions of Oleander, Mint, Peony, Toyon, and Oregon.
