WHAT IS BEING ASKED OF THE CITY COUNCIL/BOARD:

The City Council is being asked to adopt Resolution No. 2023-07 a Resolution of the City Council of the City of Clearlake Authorizing Submittal of Application(s) for all CalRecycle Grants for which City of Clearlake is eligible.

BACKGROUND/DISCUSSION:

Widespread illegal dumping of solid waste adversely impacts the City of Clearlake in many ways. Properties on which illegal dumping occurs lose economic value; create public health, safety and environmental problems; and degrade the enjoyment and pride in our community. Many such properties have been abandoned or have owners who are unable or unwilling to pay the costs of cleanup.

The California Department of Resources Recycling and Recovery (CalRecycle) offers funding opportunities authorized by legislation to assist in the effective management of illegal disposal sites. CalRecycle provides grants up to \$500,000 to help accelerate the pace of cleanup, restore sites, and turn today's problems into tomorrow's opportunities.

CalRecycle requires that an application's governing body declare by resolution certain authorizations related to the execution of all grant documents, including applications, agreements, amendments and requests for payment necessary to secure grant funds. This authorization will be effective for five (5) years from the date of adoption of this resolution.
