WHAT IS BEING ASKED OF THE CITY COUNCIL/BOARD:

The City Council is being asked to consider adopting Resolution 2024-33 authorizing the conversion of Pine Street to a one-way street.

BACKGROUND/DISCUSSION:

The purpose of this staff report is to present information and recommendations regarding the proposed conversion of Pine Street from Austin Rd. to Olympic Drive (northbound) to a one-way street. This public hearing is scheduled to solicit feedback from Council and provide transparency on the proposed changes. Currently, the area has high traffic and safety concerns. There have been numerous near misses with both vehicles and pedestrians.

- **Traffic Flow:** The proposed one-way conversion will improve the flow of traffic safety around Burns Valley Elementary School. Traffic will flow north beginning at Austin Rd., moving to Olympic Drive.
- **Pedestrian and Cyclist Safety:** This will improve pedestrian and cyclist safety, including proposed enhancements such as restriped bike lanes, striping of crosswalks for improved pedestrian crossings, and improved overall safety.
- **Parking and Access:** Parking will be redesigned to allow for some off-street parking and drop-off zones.
