WHAT IS BEING ASKED OF THE CITY COUNCIL/BOARD:

Approve Resolution 2025-09 Authorizing the Application for Funding to Congressman Thompson.

BACKGROUND/DISCUSSION:

Since Congressman Thompson has been representing the City of Clearlake, we have been included in the opportunity for Community Project Funding (CPF). Members of Congress are allowed to submit 15 projects to the Appropriations Committee for possible funding throughout their entire district. The last two cycles of CPF Congressman Thompson has recommended projects in Clearlake, with \$2 million for the Burns Valley Sports Complex Project in 2022, and over an additional \$4 million in 2023. No funding was approved in 2024 for Clearlake.

There are many needs in our community and many options for projects for funding. The Council will need to provide direction on which project or projects to submit before the March 7th deadline.
