

## Supplemental LRA LMIG Funding FY26

- Governor Kemp announced an additional round of LMIG funding for local governments for FY26 titled LRA (Local Road Assistance administration funds).
- The city is eligible for \$68,546.56 for this round and there is no match required.
- Applications for these funds are due June 15, 2026.
- The City successfully applied for FY25 LMIG funds in the amount of \$56,243.69, and plan to apply these funds to the installation of cross-walks located on South Main Street and on East Kytle. GDOT has designed the cross-walk on South Main Street and the project is ready to bid. The project will be bid in FY27.
- Staff discussed with GDOT officials about also applying the LRA funds to the LMIG cross-walk project, which will be allowed.
- Staff requests the city council approve the FY26 LRA funds be applied to the crosswalk project and to approve submittal of an application for FY26 LRA funds to be applied to this project.
