Project: Sevilla II – TR38557

To: Mayor Hernandez and Council members,

In response to the Nigosian family request, we would be honored to add their family name to the entry drive. I reached out to the Nigosian's via a phone call to let them know Pulte is in favor of this street name. I also offered up if they would like to add any other names. They requested Pyramid Ranch Drive. With Council's approval we would like to name the north entry drive, street "A", Nigosian Way and the south entry, street "F", Pyramid Ranch Drive. Thank you for your consideration.

Thank you
