ORGANIZATIONAL TRAINING + CERTIFICATION PROCESS

Step 1: Each organization identifies number of managers and employees to be trained

(organizational designation requires at least 80% of staff complete training)

Step 2: Access granted to training materials, exam must be passed upon completion

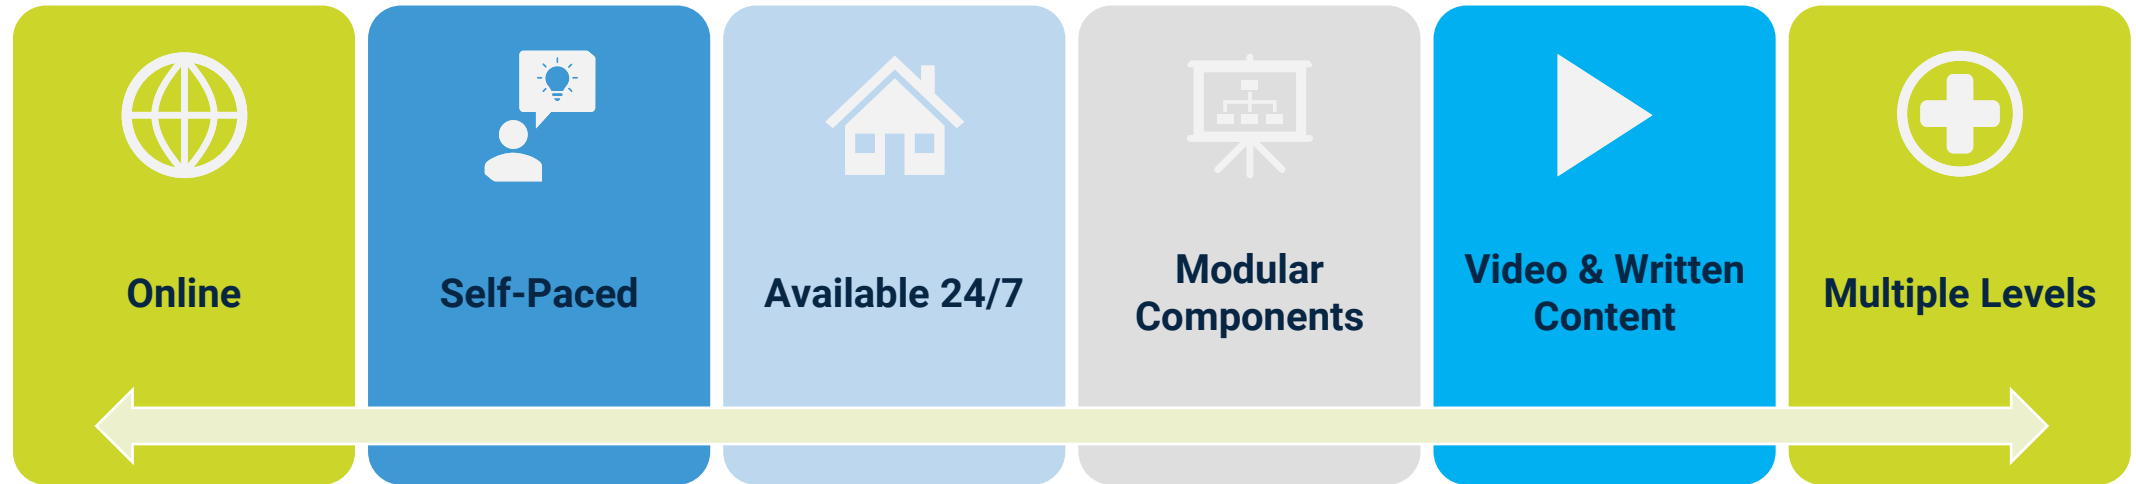

(IBCCES supports with implementation, customer support, tracking, etc.)

Step 3: IBCCES verification of completion & approval

Step 4: Certification issued!

Announcement of designation is planned, organization is added to the cohort of certified organizations

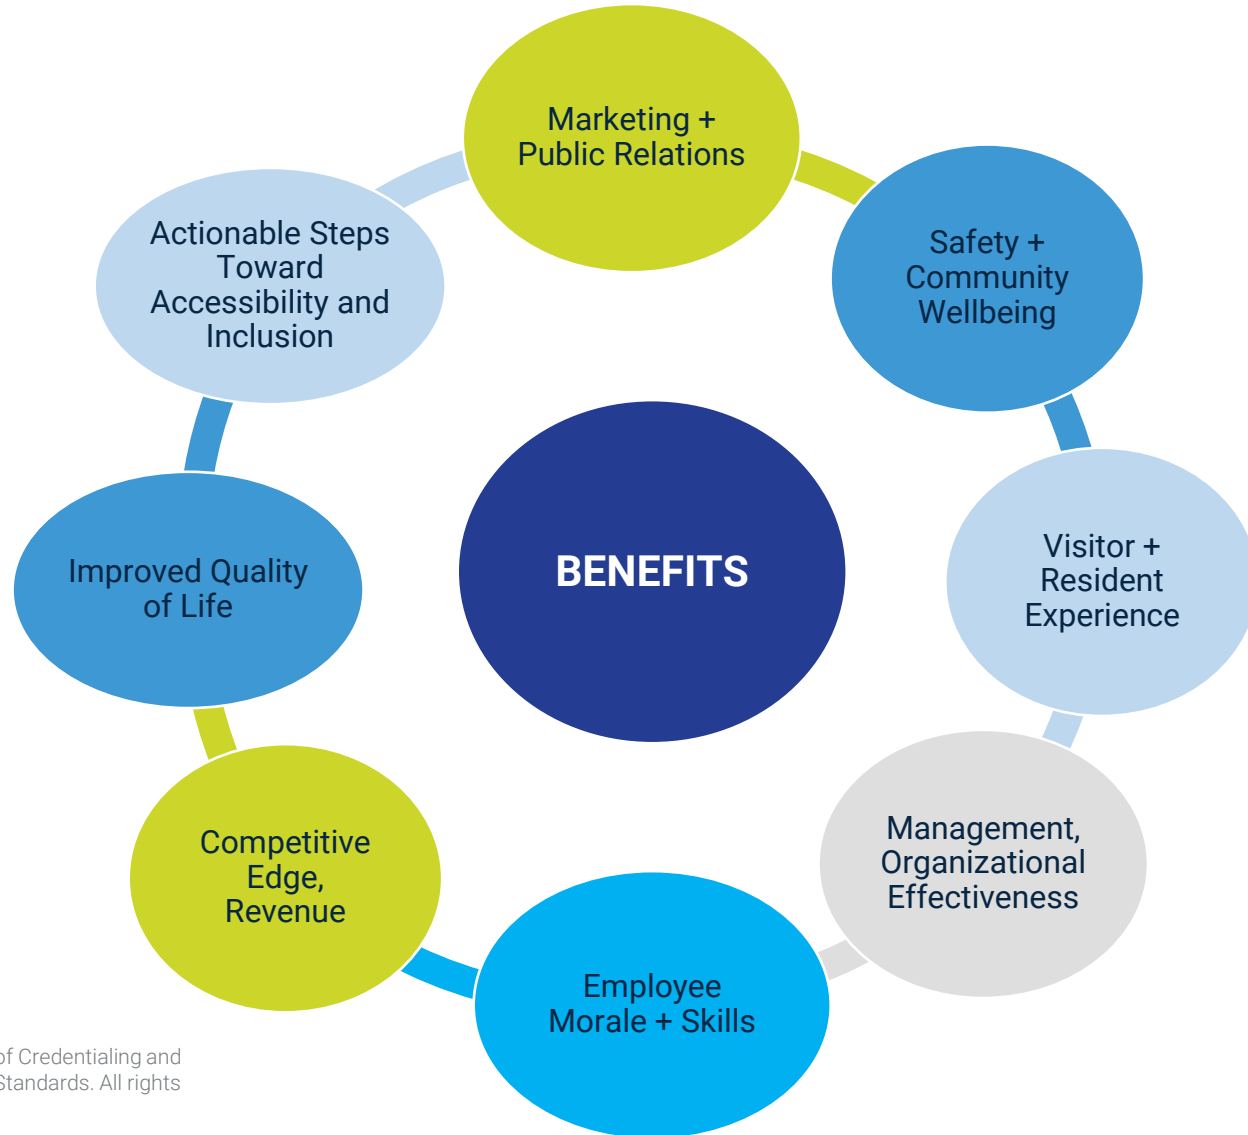

TRAINING + CERTIFICATION - DELIVERY

- Manager level training – 4 CE
- Staff level training - .5 CE

Content covers what autism is, common needs or characteristics, communication, basic safety, sensory needs and impacts, + autistic perspectives
