Findings for Change of Zone 20-08:

1. The Project is consistent with the goals, objectives, policies, and implementation measures of the Coachella General Plan 2035. The site has a Regional Retail District land use designation that allows for the proposed development. The proposed change of zone is in keeping with the policies of the Regional Retail District land use classification and the Project is internally consistent with other General Plan policies for this type of development.
2. The Project is in compliance with the applicable land use regulations and development standards of the City’s Zoning Code. The site plan proposes a retail cannabis business, consumption lounge, commercial kitchen and take out window including indoor and outdoor seating areas. The Project complies with applicable C-G (General Commercial) and Section 17.47.020 property development standards as proposed.
3. Every use, development of land and application of architectural guidelines and development standards shall be considered on the basis of the suitability of the site for a particular use or development intended, and the total development, including the prescribed development standards, shall be so arranged as to avoid traffic congestion, ensure the protection of public health, safety and general welfare, prevent adverse effects on neighboring property and shall be in accord with all elements of the general plan. The proposed change of zone is compatible with existing surrounding land uses that include commercial land uses.
4. The Project will be compatible with neighboring properties with respect to land development patterns and application of architectural treatments. The plans submitted for this Project propose a cannabis business with a consumption lounge and a fast food restaurant with an indoor and outside seating areas that are permitted in the C-G (General Commercial) zone pursuant approved Conditional Use Permits. Surrounding properties to the project site include commercial and vacant land uses. As such, the Project will be in keeping with the scale, massing, and aesthetic appeal of the existing area and future development
5. The Project is exempt from the California Environmental Quality Act pursuant to CEQA Guidelines Section 15303 (C) that exempts the conversion of existing small structures from one use to another where only minor modifications are made to the interior and exterior of the structure.

Section 2. SEVERABILITY. The City Council declares that, should any provision, section, paragraph, sentence or word of this ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation the remaining provisions, sections, paragraphs, sentences or words of this ordinance as hereby adopted shall remain in full force and effect.
