**STAFF RECOMMENDATION:**

Staff recommends that the City Council open the public hearing, receive public testimony, and conditionally approve Entertainment Permit No. 26-02 to allow limited entertainment events in a 1,625 square foot commercial tenant space for the Clamatosdel43 Sport Bar located at 49915 Cesar Chavez Street (APN 603-281-044); and determining that the proposed project is categorically exempt from the California Environmental Quality Act (CEQA) review pursuant to State CEQA Guidelines Section 15301 (Existing Facilities).

**BACKGROUND:**

Clamatosdel43 Sports Bar will occupy a vacant tenant space within the Coachella Shopping Center, located in the Neighborhood Commercial (C-N) zone at 49915 Cesar Chavez Street (APN 603-281-044). The subject tenant space was previously occupied by a furniture retailer, California Furniture.

On May 6, 2026, the Planning Commission approved Conditional Use Permit No. 401 for Clamatosdel43 Sports Bar to operate with a Type 40, On-Sale license for the sale of beer. The applicant also proposes occasional live music performances consisting of four to six musicians once per month on Saturdays, as well as on the grand opening day at the Clamatosdel43 Sports Bar.

**DISCUSSION/ANALYSIS:**

The applicant, Salvador Islas, submitted a request for an Entertainment Permit to allow limited entertainment events in a 1,625 square foot existing commercial suite. Per Coachella Municipal Code Chapter 5.24, no person or entity shall allow, establish, conduct, maintain or operate any

entertainment establishment within the city without an entertainment permit pursuant to this chapter. The proposed project requires the approval of an entertainment permit, which will establish the licensing and regulation of such entertainment establishment. If the city council elects to grant an entertainment permit, it may impose any condition on the permit that furthers the purposes, regulations, and requirements of this chapter or other applicable laws, ordinances and regulations. This may include restrictions to the days and hours of operations, the maximum occupancy of the operation, necessary traffic control measures, noise controls, security or safety measures, the placement and utilization of hand-held metal detectors, and other applicable conditions of approval.

The Clamatosdel43 Sports Bar project proposes recorded music and live performances by musicians of four to six persons once per month on Saturdays, as well as on the grand opening day. The performances will take place on a designated stage area as demonstrated on the floor plan in Image 1. No use of the sports bar for dancing is proposed. The proposed hours of operation are Monday to Thursday from 10:00 a.m. to 9:00 p.m. and Friday to Sunday from 10:00 a.m. to 11 p.m.. Live music performances will conclude at 11:00 p.m. closing time. Staff circulated the request to the Riverside County Sheriff's Department and the Riverside County Fire Department for comment and there are no concerns about the hours of operation and the proposed entertainment uses. Staff has conditioned the project to ensure that amplified music and the live musician performances occur inside the restaurant suite at all times to ensure compliance with the City's noise ordinance.

ZONING: NEIGHBORHOOD COMMERCIAL (C-N)

**Existing Setting:**

The subject business is located at 49915 Cesar Chavez Street within the within the Coachella Shopping Center. The General Plan Land Use Designations, Zoning Designations, and Existing uses are identified below:

**Table 1 – General Plan, Zoning, and Surrounding Existing Uses**

	<b>General Plan</b>	<b>Zoning</b>	<b>Surrounding Existing Uses</b>
Site:	Neighborhood Center	Neighborhood Commercial	Commercial
North:	Neighborhood Center	Neighborhood Commercial	Commercial
South:	Neighborhood Center	Neighborhood Commercial	Commercial
East:	Downtown Center	Downtown	Commercial
West:	Suburban Neighborhood	Suburban Neighborhood	Single Family Residential

**Parking:**

In the Neighborhood Commercial zone, restaurants and other eating establishments are required to provide one (1) space for each forty-five (45) square feet of customer area, plus one space for each two hundred (200) square feet of noncustomer area. The subject site has a total area of 1,625 SF, with about 1,125 SF being for customer area, and 500 square feet being noncustomer area; which would require the subject site to provide 28 parking spaces. The commercial center has about 80 parking spaces within close proximity of the subject site, which is sufficient parking for the proposed commercial uses.

**CONSISTENCY WITH GENERAL PLAN**

The project site is within the Neighborhood Center land use designation, and further located in Subarea 4 as designated in the General Plan. The Neighborhood Center is intended to create concentrations of commercial businesses and civic amenities that serve as gathering places for surrounding neighborhoods. The designation allows a variety of neighborhood-serving commercial uses, including restaurants and other establishments that meet the daily and weekly needs of residents. Subarea 4 – Harrison Street Corridor – is meant to become a pedestrian-oriented mixed-use corridor with a diverse mix of retail, commercial and residential uses.

The proposed project conforms with the vision and policies established in the Neighborhood Center and Subarea 4. The proposed project will occupy an existing commercial tenant space and operate as a sports bar offering food, beverages, and occasional live entertainment. As a restaurant-oriented use, the project will provide an additional dining and social option for residents and visitors, contributing to the Neighborhood Center’s role as a community gathering place. The sale of beer is accessory to the primary restaurant use and complements the project’s entertainment component.

By activating an existing commercial space, the project supports the General Plan's goals of promoting neighborhood-serving businesses, encouraging economic activity, and enhancing the vitality of commercial centers. The project will expand the range of services and amenities available within the Neighborhood Center designation and is therefore consistent with the intent and purpose of this land use category.

### **CONSISTENCY WITH ZONING**

The project site is currently zoned Neighborhood Commercial (C-N) which implements the Neighborhood Center land use designation of the General Plan. The C-N zone permits every day convenience shopping facilities that provide a space for retail and service businesses serving the immediate neighborhood. Per Coachella Municipal Code Chapter 5.24, no person or entity shall allow, establish, conduct, maintain or operate any entertainment establishment within the city without an entertainment permit pursuant to this chapter. The proposed project requires the approval of an entertainment permit, which will establish the licensing and regulation of such entertainment establishment.

Staff contacted Lieutenant Garcia with the Riverside County Sheriff Department and Fire Marshal Azarovitz with the Riverside County Fire Department regarding any concerns for the proposed Clamatosdel43 Sports Bar that the City Council may want to consider when making findings or including conditions of approval for the Entertainment Permit. Both the Riverside County Sherriff Department and Riverside County Fire Department noted no issues for the proposed event. The project area is developed and does not contain any environmentally sensitive areas.
