NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Coachella, California does hereby recommend approval of Entertainment Permit No. 26-02, subject to the findings and conditions of approval listed below:

Section 1. Incorporation of Recitals

The City Council hereby finds that all of the facts in the Recitals are true and correct and are incorporated and adopted as findings of the City Council as fully set forth in this resolution.

Section 2. CEQA Findings

The City Council finds the Project categorically exempt from the provisions of the California Environmental Quality Act under Section 15301 of the State CEQA Guidelines. The entire Project is exempt under Section 15301 because it involves the operation, permitting, licensing and minor alteration of an existing private commercial structure involving negligible or no expansion of existing or former commercial use. The subject site has been used for commercial retail establishments and no expansions of use is propose.

Furthermore, none of the exceptions to the use of categorical exemptions set forth in State CEQA Guidelines Section 15300.2 apply. There is no possibility of a significant cumulative impact as staff does not anticipate that other projects of the same type will take place at the project site or the surrounding area. The tenant space does not present any unusual circumstances such as unusual resources, an unusual location, or unusual physical qualities inherent to the project site that might result in significant impacts. The project area is developed and does not contain any environmentally sensitive areas. The project would not damage any scenic resources, including trees, historic buildings, rock outcroppings or similar resources, within a highway officially designated as a state scenic highway. The project is not located on a hazardous waste site or any other site included on a list compiled pursuant to Government Code section 65962.5 and the proposed project will not cause a substantial adverse change in the significance of a historical resource because there are no historical resources near the proposed project such that project impacts would not have any substantial adverse changes in the significance of a historical resource.

Staff is hereby authorized and directed to prepare, execute, and file a Notice of Exemption with the County Clerk and the State Clearinghouse within five working days of approval of the Project.

Section 3. Entertainment Establishment Permit Findings

With respect to Entertainment Permit No. 26-02, the City Council finds as follows for the proposed entertainment permit request:

1. The information provided in the application is accurate, complete and truthful, as evidenced by staff and there are no known violations of any laws, ordinances, or regulations related to the applicant's fitness to manage or operate the proposed entertainment venue.
2. The applicant possesses the required moral character to comply with the requirements of Chapter 5.24 and the conditions of approval imposed herein. As conditioned, the proposed added security measures will ensure that the public safety for the business will be maintained to the satisfaction of the Chief of Police.
3. The applicant has sufficient resources and experienced personnel to manage and operate the proposed entertainment venue in a safe, professional and effective manner in accordance with the Coachella Municipal Code. The Applicant has retained an experienced management team to assist with the operation of the sports bar and the proposed entertainment activities
4. The proposed use will not be in conflict with, but will be in harmony with and in accordance with the objectives of the general plan because the proposed restaurant use with alcohol sales is within the Neighborhood Center land use designation according to the General Plan 2035, which allows the intended physical character to provide a concentration of neighborhood-serving businesses and civic amenities within convenient walking or biking distance of nearby neighborhoods. Clamatosdel43 Sports Bar will provide a unique service to the Neighborhood Center and citywide that accomplished the goals of the General Plan.

5. The City of Coachella has determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an “Existing Facilities” project (CEQA Guidelines, Section 15301a) as the proposed entertainment uses ancillary to and in conjunction with an existing restaurant business in an existing commercial building.

Section 4. City Council Approval

Based on the foregoing recitals and findings above, and the written and oral comments, facts and evidence presented, the City of Coachella City Council hereby approves Entertainment Permit No. 26-02 subject to conditions of approval in “Exhibit A.”
