DISCUSSION/ANALYSIS:

The City of Indio and the County of Riverside have undertaken the Jackson Street and Avenue 50 Street Improvement Project, which proposes to improve Avenue 50 up to the previous City of Coachella city boundary. The City of Indio is the lead agency for this joint project with the County as a participating agency. The City of Indio and County of Riverside have a cooperative agreement in place to complete this project. The City of Coachella recently annexed a portion of the project boundary that was in the County of Riverside. The County of Riverside has agreed to continue with right-of-way services on behalf of the City of Coachella. The proposed resolution will give the County of Riverside authority to provide the right-of-way services.
