RE: Extension request for TTM 37040, CUP 266, AR 16-03& EA 16-01

Mr. Lopez,

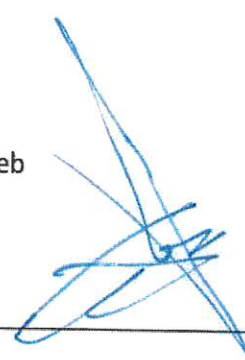

We are asking for a one-year extension of the Tentative Tract Map 37040 Coachella Vineyards Recreational Vehicle Subdivision. Also for the extension of the Conditional Use Permit CUP 266, Architectural Review AR 16-03 approval and Environmental Assessment No. 16-01.

The pandemic contributed a delay for obtaining financing, and created the need of the extension.

Sincerely,

Abrahaam Gottlieb  
Manager
