

ORDINANCE NO. 1207

**AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF COACHELLA, CALIFORNIA,
AMENDING COACHELLA MUNICIPAL CODE
SECTIONS 2.04.010 AND 2.04.020 REGARDING
CITY COUNCIL COMPENSATION**

WHEREAS, in June 2023, Governor Gavin Newsom signed into law Senate Bill 329 (“SB 329”), which amends California Government Code Section 36516 to update city council compensation schedules to account for inflation. The previous compensation schedules, which are based on population, had not been adjusted since 1984; and

WHEREAS, the legislative intent of SB 329 is to help city councils become more diverse because increased compensation can help individuals from across different income levels receive sufficient income from their service to help ensure that they can continue to serve the public and support their families; and

WHEREAS, California Government Code Section 36516 provides a method by which salaries for members of a city council are established based on city population; and

WHEREAS, according to the last preceding federal census in 2020 and the California Department of Finance, the City of Coachella has an estimated population of 42,462; and

WHEREAS, under SB 329, city council salaries in cities with populations between 35,000 and 50,000 can be up to and including \$1,275 per month; and

WHEREAS, pursuant to Ordinance No. 1127 adopted in 2018, Coachella City Councilmembers currently receive \$711.05 per month in salary; and

WHEREAS, the City Council of the City of Coachella makes the following findings in support of raising City Council salaries to \$1,275, as allowed by SB 329:

- i. Higher pay can help remove financial barriers that may prevent individuals from running for office. This can make council positions more accessible to a wider range of people, including those from lower-income backgrounds, promoting greater socioeconomic diversity among elected representatives.
- ii. Offering higher pay can attract more qualified individuals to run for city council positions. This can potentially increase the talent pool and diversity of candidates, leading to better decision-making governance.
- iii. A higher salary can incentivize councilmembers to dedicate more time and effort to their roles. This can enable them to devote additional hours to

understanding complex issues, researching policies, and engaging with constituents, thereby enhancing the quality of their work.

- iv. A higher salary can help retain experienced councilmembers who might otherwise leave for higher-paying opportunities elsewhere. Continuity and intuitional knowledge can benefit the city by enabling councilmembers to build expertise, establish relationships, and effectively address long-term challenges.
- v. Increasing compensation recognizes and compensates city councilmembers for their substantial workload. Serving on the city council requires significant time and effort. Councilmembers are responsible for attending meetings, conducting research, engaging with constituents, and making important decisions that directly impact the community.
- vi. The City Council's last compensation increase went into effect at the end of 2018, so it would be appropriate to again increase compensation to account for cost-of-living increases and inflation over the last five years; and
- vii. Increasing the City Council salary would make salaries more commensurate with salaries in other Coachella Valley cities (general law and charter) and other general law cities with similar population sizes.

WHEREAS, California Government Code Section 36516.5 provides that a change in salary for each city council member does not take effect until one or more members of the city council begins a new term of office;

WHEREAS, the new salary for each City Council member would go into effect beginning on the date on which a City Council member is sworn into office after the general municipal election held in November 2024;

WHEREAS, on December 13, 2023, the City Council conducted the first reading for Ordinance No. 1207 increasing City Council compensation pursuant to Senate Bill 329; and

WHEREAS, on February 14, 2024, the City council conducted the second reading for Ordinance No. 1207 increasing City Council compensation pursuant to Senate Bill 329.
