

RESOLUTION NO. PC2026-11

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF COACHELLA CONDITIONALLY APPROVING CONDITIONAL USE PERMIT NO. 379 FOR THE PROPOSED MINI STORAGE AND RV STORAGE USE FOR THE COACHELLA VAULT PROJECT LOCATED ON AN APPROXIMATELY 11 ACRE PARCEL AT APN: 603-290-005; AND DETERMINING THAT THE PROJECT IS COMPLIANT WITH SECTION 15063 OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) GUIDELINES. APPLICANT: STEVE MYERS, COACHELLA VAULT LLC.

WHEREAS, on April 15, 2025, the applicant, Steve Myers, on behalf of Coachella Vault, LLC., submitted a Tentative Tract Map application, Conditional Use Permit, Architectural Review, and Environmental Assessment application, and associated environmental documentation for the proposed Coachella Vault project mini storage and RV storage use that includes the construction of an office clubhouse, nine storage buildings, and associated improvements on an approximately 11 acre parcel at APN: 603-290-005.

WHEREAS, the Site is located east of Harrison Street and 1,300 feet south of Avenue 48 (Assessor’s Parcel Number: 603-290-005)(“Property”); and,

WHEREAS, the site has a zoning designation of M-W Wrecking Yard and a General Plan 2035 land use designation of Industrial District; and,

WHEREAS, the Project is consistent with and intended to implement the vision of the Coachella Municipal Code and the General Plan 2035 pertaining to land use patterns, building and site design, and public right-of-way improvements; and

WHEREAS, pursuant to section 21067 of the Public Resources Code, and section 15367 of the State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15000 et seq.), the City is the lead agency for the proposed Project and has prepared an Initial Study/Mitigated Negative Declaration (SCH#2026010502) (“IS/MND”) and a Mitigation Monitoring and Reporting Program (“MMRP”) for the Project;”

WHEREAS, a notice of a public hearing to consider Tentative Tract Map No. 38943, Conditional Use Permit No. 379, Architectural Review No. 24-05, and Environmental Assessment 2024-01 was issued in accordance with Coachella Municipal Code Section 17.74.010G, inclusive of the publication on May 10, 2026, of a legal public hearing notice which was published in the Desert Sun, the City’s newspaper of record and mailing of a public hearing notice to a certified list of property owners within 300 feet of the subject properties on April 30, 2026; and,

WHEREAS, on May 20, 2026, the Planning Commission held a duly noticed public hearing to consider the application for the Project during which evidence, both written and

oral, including the staff report and supporting documents, was presented at said hearing; and,

WHEREAS, at the conclusion of the public hearing and following discussion, the Planning Commission approved this Resolution No. PC2026-11 for the conditional approval of Conditional Use Permit No. 379 for the proposed mini storage and RV storage use for the Coachella Vault Project as conditioned with the motion vote outcome specified in the meeting minutes for the May 20, 2026, Planning Commission meeting.

NOW, THEREFORE, BE IT RESOLVED, THE PLANNING COMMISSION OF THE CITY OF COACHELLA, CALIFORNIA DOES HEREBY FIND DETERMINE AND RESOLVE AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The Planning Commission hereby specifically finds that all of the facts set forth in the recitals of this Resolution are true and correct and are incorporated into this Resolution by reference and constitute a material part of this Resolution.

SECTION 2. Environmental Findings. Pursuant to the California Environmental Quality Act (Public Resources Code, § 21000 et seq.) and the State CEQA Guidelines (California Code of Regulations, title 14, § 15000 et seq.) (Collectively, “CEQA”), the Planning Commission adopted Resolution No. PC2026-13 determining that there is no substantial evidence that the approval of the Project would result in a significant adverse effect on the environment, provided appropriate mitigation measures, as identified in the MMRP, are imposed on the Project.

SECTION 3. Conditional Use Permit Findings. Based upon the evidence presented at the hearing, including the staff report and written and verbal testimony, which are all incorporated herein by reference, the Planning Commission hereby finds that:

1. The location of the project site has a General Plan land use designation of Industrial District which permits the development of industrial and research and development uses. The proposed mini storage and RV storage use for the proposed Coachella Vault project is consistent with the allowed land uses in the Industrial District general plan designation. The development intensity allowed under the Industrial District is a floor-area-ratio of 0.1 to 2.0. The proposed development includes a total building area of 232,490 SF on an 11-acre parcel, which provides a development intensity consistent with the floor-area-ratio development intensity allowed under the Industrial District. The residential development intensity is classified as non-applicable under the Industrial District. The proposed project does not propose any residential units as part of this project. For the foregoing reasons, the proposed mini storage and RV storage use for the Coachella Vault project is consistent with the objectives of the General Plan.
2. The location of the project site has a General Plan land use designation of Industrial

District which permits the development of industrial and research and development uses. The development intensity allowed under the Industrial District is a floor-area-ratio of 0.1 to 2.0. The proposed development includes a total building area of 232,490 SF on an 11-acre parcel, which provides a development intensity consistent with the floor-area-ratio development intensity allowed under the Industrial District. The residential development intensity is classified as non-applicable under the Industrial District. The proposed project does not propose any residential units as part of this project. The proposed project provides two vehicular access points on Harrison Street and would provide access to the project that has been determined suitable by the City Engineer/ Public Works Director and the Riverside County Office of the Fire Marshal. The northern, western and southern adjacent properties have land uses of Industrial District, and the eastern land use has a Suburban Neighborhood land use designation. The proposed mini storage and RV storage use is consistent with the allowed land uses within the Industrial District general plan designation, and is compatible with the adjacent land uses in accordance with the City of Coachella General Plan. For the foregoing reasons, the proposed mini storage and RV storage use for the Coachella Vault project will be located, designed, constructed, operated and maintained so as to be compatible with the existing or intended character of the general vicinity and shall not change the essential character of the same area.

3. The location of the project site has a General Plan land use designation of Industrial District which permits the development of industrial and research and development uses. The development intensity allowed under the Industrial District is a floor-area-ratio of 0.1 to 2.0. The proposed development includes a total building area of 232,490 SF on an 11-acre parcel, which provides a development intensity consistent with the floor-area-ratio development intensity allowed under the Industrial District. The residential development intensity is classified as non-applicable under the Industrial District. The proposed project does not propose any residential units as part of this project. The proposed project provides two vehicular access points on Harrison Street and would provide access to the project that has been determined suitable by the City Engineer/ Public Works Director and the Riverside County Office of the Fire Marshal. Infrastructure to serve the proposed parcels have been assessed and determined to be available from the water and electrical utilities. Furthermore, the site has no topographical constraints and the proposed uses are consistent with that has been analyzed in the General Plan and the Coachella Municipal Code. For the foregoing reasons, the proposed mini storage and RV storage use for the Coachella Vault project will in harmony in scale, bulk, coverage and density, to the availability of public facilities and utilities, to harmful effect, if any, upon desirable neighborhood character, to the generation of traffic and the capacity of surrounding streets, and to any other relevant impact of the development.
4. The intent and purpose of the Industrial District designation, as described in the City of Coachella General Plan, is to accommodate a range of light and heavy commercial and industrial businesses that provide employment and generate more noise, light, odors or truck traffic than would be appropriate in the Urban Employment District. The project proposes a mini storage use and RV storage use that includes the

construction of an office clubhouse, nine storage buildings, and an industrial lease space. In addition to the proposed buildings, development of the site would also include landscaping, street improvements, drive aisles, and parking. The project will also develop roof-top solar panels and associated electrical equipment (batteries and generator) to support the solar facilities. An Initial Study with Mitigated Negative Declaration (IS/MND) was completed to address the potential impacts from the implementation of the project. The environmental analysis includes but is not limited to the analysis of environmentally sensitive areas, potential impacts to natural vegetation and significant trees, watercourses, historic buildings and places, and other features of value to the community. The proposed project will develop currently vacant highly disturbed land in east Coachella. The existing setting does not contain any significant trees, watercourses, or historic buildings or places. The parcel has minimal natural vegetation, and what is there is common to many vacant parcels within the City of Coachella and the greater Coachella Valley. The scarce natural vegetation will be removed during the preliminary grading phase of the development of the site, and the IS/MND found that with the adoption of mitigation measures, any potential impact will be mitigated to have a less than significant impact. The MMRP includes mitigation measures that ensure protection of environmentally sensitive land uses and species within the project area. For the foregoing reasons, the proposed use is not found to be potentially hazardous or disturbing to existing or reasonably expected neighboring uses.

5. The location of the project site has a General Plan land use designation of Industrial District which permits the development of industrial and research and development uses. The development intensity allowed under the Industrial District is a floor-area-ratio of 0.1 to 2.0. The proposed development includes a total building area of 232,490 SF on an 11-acre parcel, which provides a development intensity consistent with the floor-area-ratio development intensity allowed under the Industrial District. The residential development intensity is classified as non-applicable under the Industrial District. The proposed project does not propose any residential units as part of this project. The proposed project provides two vehicular access points on Harrison Street and would provide access to the project that has been determined suitable by the City Engineer/ Public Works Director and the Riverside County Office of the Fire Marshal. Infrastructure to serve the proposed parcels have been assessed and determined to be available from the water and electrical utilities. Furthermore, the site has no topographical constraints and the proposed uses are consistent with that has been analyzed in the General Plan and the Coachella Municipal Code. For the foregoing reasons, the proposed mini storage and RV storage use for the Coachella Vault project will include vehicular approaches to the property designed for reasonable minimal interference with traffic on surrounding public streets or roads.

SECTION 4. Location and Custodian of Records. The documents and materials that constitute the record of proceedings on which these findings are based are located at Coachella Civic Center. The Development Services Director is the custodian of the record of proceedings.

SECTION 5. Execution of Resolution. The Planning Commission Chairperson shall sign this Resolution and the Planning Commission Secretary shall attest and certify to the passage and adoption thereof.

SECTION 6. Planning Commission Approval. Based on the foregoing recitals and findings above, and the written and oral comments, facts and evidence presented, the City of Coachella Planning Commission conditionally approves Conditional Use Permit No. 379, for proposed mini storage and RV storage use for the Coachella Vault project located at APN: 603-290-005; and determining that the project is compliant with Section 15063 Of The California Environmental Quality Act (CEQA) Guidelines. The applicant shall demonstrate compliance with ALL Conditions of Approval, as set forth in Exhibit “A” of this Resolution. Failure to demonstrate compliance with these conditions of approval may result in the delay of the Proposed Use or the rescinding of the City of Coachella’s conditional use permit approval. Where the term “Applicant” is used in any condition of approval, this term shall also apply to the Property Owner, any developer, or any successor in the interest of the Applicant. It is the Applicant’s or Applicant’s successor in interest responsibility to fully comply with the conditions of approval unless subsequently modified in accordance with the City’s required processes and procedures.

SECTION 7. SEVERABILITY. If any section, subsection, sentence, clause, phrase, or portion of this Resolution is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution. The Planning Commission of the City of Coachella hereby declares that it would have adopted this Resolution and each section, subsection, sentence, clause, phrase, or portion thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions be declared invalid or unconstitutional.

PASSED APPROVED and ADOPTED this 20th day of May 2026.
