

## City of Coachella Art in Public Places Application Form

**Purpose:** The purpose of the Public Arts Commission shall be to act in an advisory capacity to the City Council on matters pertaining to the enrichment of the community through fine arts, visual arts, performing arts, arts education, historic preservation and cultural issues; to serve as an advocate for cultural activities and programs within the City; to implement the City's Art in Public Places Program, and to encourage the integration of cultural affairs into the social and economic fabric of the City to improve the quality of life for City residents. Art in public places are intended to promote the general welfare of the public through the acquisition and installation of public art works (Municipal Code Chapter 4.48).

The completeness of this application, which includes accompanying plans, shall be subject to the review of the Planning Division and Development Services Department. If you have any questions while completing this application please ask a member of the Planning Division for assistance. Incomplete applications will not be accepted (or the process may be delayed).

Fees apply to:

1. New commercial and industrial construction
2. Remodeling or reconstruction of existing commercial or industrial property;
3. New residential development of two or more units built in the same tract by the same owner or developer;
4. New individual single-family dwelling units in an existing subdivision with a permit valuation over \$100,000.

Fees are based on a percentage of the building cost:

1. One-half of one percent (.005) for new commercial or residential construction;
2. One-half of one percent (.005) for remodel or reconstruction of existing commercial or industrial property;
3. One quarter of one percent (.0025) for new residential subdivision of two or more units;
4. One quarter or one percent (.0025) for new individual single-family units constructed in an existing subdivision with a building permit over \$100,000 for that portion of the building permit valuation in excess of \$100,000.

Guidelines for approval and maintenance of art in public places shall include, but are not limited to, the following criteria:

- A. Quality of the artwork;
- B. Media. All visual art forms may be considered, subject to limitations set by the selection jury or the Planning Commission;
- C. Style. Artworks of all schools, styles, and tastes should be considered for the city collection;
- D. Environment. Artworks and art places should be appropriate in scale, material, form and content for the immediate, general, social and physical environments with which they relate;
- E. Permanence. Consideration should be given to structural and surface integrity, permanence, and protection against theft, vandalism, weathering, excessive maintenance, and repair costs;
- F. Elements of Design. Consideration should take into account that public art, in addition to meeting aesthetic requirements, also may serve to establish focal points, terminate areas, modify, enhance, or define specific spaces, or establish identity;
- G. Diversity. The public arts program should strive for diversity of style, scale, media, artists—including ethnicity and gender and equitable distribution of artworks and art places throughout the city;
- H. Visibility. The art work shall be clearly visible and easily accessible to the public
- I. Site Plan. The application shall include a site plan showing the location of the art work, complete with landscaping, lighting and other accessories to complement and protect the art work
- J. Artist. The art work shall be designed and constructed by persons experienced in the production of such art work and recognized by critics and by his or her peers as one who produces works of art

## ARTWORK PROPOSAL AND SPECIFICATIONS

Describe the artwork, its location, materials, installation requirements, and maintenance needs as completely as possible. You may use additional paper to complete this section of the application.

1. Artwork Description

Art work will be painted with high end uv resistant aerosol paint that is intended to withstand the coachellas valley's heat.

The artwork itself is a depiction of strong independant woman that are here in our own communities.

A mural of a woman with wings and a desert landscape is what the mural will show

2. Siting

The largest image which is the famale representation on the mural will be sketched out using a projector. In which will give the artist the perfect proportion for the outline of the woman. All else will be freehanded

3. Materials with Specifications

Spray paint, brushes, masking tape, 6 ft ladder and drop cloth

4. Fabrication and Installation Procedures

The proposed wall will first be painted with a base coat and a background. A sketch will then be added to get an idea of proportions. And then paint will be applied to finish off the mural

5. Yearly Maintenance and Conservation
