SUBJECT: Adopt Resolution No. 2025-15, A Resolution of the City Council of the City of Coachella to adopt a list of Projects for Fiscal Year 2025-26, Funded by SB 1: Road Repair and Accountability Act.

STAFF RECOMMENDATION:

Authorize the City Manager to adopt Resolution No. 2025-15, A Resolution of the City Council of the City of Coachella to adopt a list of Projects for Fiscal Year 2025-26, Funded by SB 1: Road Repair and Accountability Act.

BACKGROUND:

On April 28, 2017, the Governor signed Senate Bill 1 (SB 1) (Beall, Chapter 5, Statutes 2017), which is known as the Road Repair and Accountability Act of 2017. The purpose and intention of the Act is to address basic road maintenance, rehabilitation, and critical safety needs on both the state highway and local streets and road systems, as well as provide transit assistance.

Prior to the passage of SB 1, cities and counties were delaying or canceling projects and preparing to lay off staff. Due to lack of funding, basic maintenance of the local streets and road system, repair and replacement of bridges, safety improvements and multi-modal enhancements were all at risk.

The new transportation bill will provide cities and counties an opportunity to catch up on years of unfunded maintenance needs that have plagued our roadways for years. Maintenance and rehabilitation projects will extend the service life of our local streets, roads and bridges. Cities and Counties will also use SB 1 funds for complete streets projects, increasing mobility options for residents, and will employ, to the extent possible green technologies, materials and methods to reduce impacts to the environment from transportation projects.

DISCUSSION/ANALYSIS:

SB 1 includes historic accountability and transparency measures. Cities and counties will adopt project lists at the start of every Fiscal Year and also provide year end reporting on completed projects.
