

STAFF REPORT
4/26/2023

TO: Honorable Mayor and City Council Members

FROM: Andrew Simmons, P.E., City Engineer

SUBJECT: Amendment No. 2 to the Sub-Reimbursement Agreement by and between Coachella Valley Association of Governments (CVAG), City of Coachella and Riverside County (County) for the Avenue 48 Widening Project between Van Buren and Dillon Road, City Project ST-131.

STAFF RECOMMENDATION:

Authorize the City Manager to Execute Amendment #2 to the Sub-Reimbursement Agreement by and between Coachella Valley Association of Governments (CVAG), City of Coachella and Riverside County (County) for the Avenue 48 Widening Project between Van Buren and Dillon Road, City Project ST-131.

DISCUSSION/ANALYSIS:

On December 3, 2018, a sub-reimbursement agreement was made and entered by and between the City of Coachella, Riverside County and the Coachella Valley Association of Governments for the Avenue 48 Widening Project, between Van Buren & Dillon Road. The proposed roadway improvements will add one westbound lane and two eastbound lanes with a raised median from Van Buren to Dillon Road. Additionally, bike lanes and sidewalks will be constructed on each side of Avenue 48. The County of Riverside is the lead agency for this Project.

The preliminary engineering, necessary environmental documentation and final PS&E package with right-of-way acquisition funding has been approved. The requested regional and local funding is to complete construction.

FISCAL IMPACT:

The existing reimbursement agreement splits costs under a 75% regional share and a 25% local share. The anticipated cost of construction had already been included in the approved CIP FY 22/23 budget, so there is no Fiscal Impact to the CIP FY 22/23 Budget.
