REVISED FEE SCHEDULE FOR THE TRANSPORTATION UNIFORM MITIGATION FEE EFFECTIVE JANUARY 1, 2023

The Transportation Uniform Mitigation Fee (TUMF) is a development impact fee designed to offset the effects of population growth on transportation infrastructure within the Coachella Valley. It is charged on any construction that will result in an increase in vehicular trips.

The TUMF is collected by the permitting jurisdiction in accordance with an adopted local ordinance, which further allows for an annual adjustment for inflation based on the Consumer Price Index for the Riverside-San Bernardino-Ontario metropolitan area. This inflation factor has been applied to the current fee schedule and results in the revised rates that will be assessed on new development starting January 1, 2023.
