City of Coachella, California does hereby approve Conditional Use Permit No. 350, subject to the findings and conditions of approval listed below.

**FINDINGS FOR APPROVAL OF CONDITIONAL USE PERMIT NO. 350:**

1. The proposed use will not be in conflict with, but will be in harmony with and in accordance with the objectives of the general plan because the proposed restaurant use with alcohol sales is within the Suburban Retail District land use designation according to the General Plan 2035, which allows retailers located in major crosstown corridors, retail districts balance the need to provide convenient access and parking for motorists providing an attractive shopping environment. The proposed Type 21 Off-Sale General liquor license support the type of established as convenient store located at the major arterial supporting the goals of the General Plan.
2. The proposed use will be located, designed, constructed, operated and maintained so as to be compatible with the existing character of the general vicinity and shall not change the essential character of the same area because the proposed use is within a zoning designation of 'C-G' (General Commercial) which permits convenient store subject to obtaining a conditional use permit to sell alcoholic beverages. The proposed use in the C-G zone and is compatible with the adjoining commercial uses and the conditional use permit can be revoked if any of the conditions of approval are violated.
2. Consideration has been given to harmony in scale, bulk, coverage and density, to the availability of public facilities and utilities, to harmful effect, if any, upon desirable neighborhood character, to the generation of traffic and the capacity of surrounding streets, and to any other relevant impact of development, because the existing commercial has all infrastructure available on-site for the convenient store. The project was part of a commercial center that was approved by Planning Commission as Architecture Review 12-07, CUP 254 and CUP 256, therefore the project conforms to the on-site parking pursuant to the City Parking Ordinance Chapter 17.54.
3. Although the AMPM Type 21 Off-Sale General establishment does fall within seven hundred (700) feet, measured from property line to property line of Rancho Las Flores Park and residences at the Carver Tract Neighborhood located outside of Coachella city limits. establishment is not fronting with no direct access to the nearby residences and park rather it is oriented towards the major arterial, Grapefruit Blvd.
4. Although the AMPM Type 21 Off-Sale General establishment does fall within seven hundred (700) feet, measured from property line to property line, of a convenient store, with a Type 21 Off-Sale General, which is the Tower Market across the street north of Avenue 48; however, the Tower Market is not within the City of Coachella jurisdiction but within the City of Indio. The establishment provides benefit to the immediate neighborhood, as it is the one of the facilities offering food and services to the neighborhood at the most northwest city boundary. The establishment will have 4.5 percent display and storage of alcoholic beverage which is less than the requirement of

not greater than five percent of the sales floor area or one thousand (1,000) square feet, whichever is less, shall be used for the display or sale of alcoholic beverages.

5. The AMPM Type 21 Off-Sale General establishment at the location will not adversely affect the economic welfare of the nearby community since general access to the establishment since the applicant is not establishing or introducing a new liquor license in the area, rather is it a change of a type of liquor license. The establishment is within a commercial center along a major arterial (Grapefruit Blvd.) which provides essential services for nearby residents like food and fuel. The project has been condition to provide general upkeep of the perimeter landscape along the entire commercial center to an acceptable condition. This includes the removal of dead or trash debris and replacement plant material of along the perimeter landscape of the commercial center. Another condition is to install sidewalk along the southeast portion of the commercial center specifically the frontage (along Grapefruit Blvd.) of the vacant parcel APN: 603-220-057.
6. There will be no alterations to the exterior facade of the establishment, the AMPM convenient store was built along with the other structures within the site. In addition, a condition has been added to include the requirement of providing Covenants, Conditions and Restrictions (CC&R) and name the City as third party beneficiary containing obligation of maintenance obligations such as private landscaping, private streets, sidewalks and other pertinent items.
7. Where the proposed use may be potentially hazardous or disturbing to existing or reasonably expected neighboring uses, it must be justified by the common public interest as a benefit to the community as a whole. As conditioned, the proposed use will provide for the sale of alcoholic beverages. The Riverside County Sheriff indicated that there no concerns about the operations of this establishment including service of Type 21 – Off-Sale General Alcohol License. The Sherriff’s Department not recommend conditions related to public safety concerns. As such, there will be no hazardous or disturbing effects to the existing and neighboring uses.
5. The proposed use provides vehicular approaches to the property designed for reasonable interference with traffic on surrounding public streets or roads. Existing vehicular approaches from Avenue 48, Dillon Road, and Grapefruit Blvd. will be utilized for the project. Existing on-site vehicular parking is sufficient.
6. The City of Coachella has determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an “Existing Facilities” project (CEQA Guidelines, Section 15301a) as the proposed on sale service of liquor will occur in conjunction with an existing business in an existing commercial building.
