WHEREAS, the conditions as stipulated by the City are necessary to protect the public health, safety and welfare of the community.

NOW, THEREFORE, BE IT RESOLVED, that the Planning Commission of the City of

Coachella, California does hereby resolve as follows:

Section 1. Incorporation of Recitals

The Planning Commission hereby finds that all of the facts in the Recitals are true and correct and are incorporated and adopted as findings of the Planning Commission as fully set forth in this resolution.

Section 2. CEQA Findings

The City of Coachella has determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an “Existing Facilities” project (CEQA Guidelines, Section 15301a) as the proposed on sale service of liquor will occur in conjunction with an existing business in an existing commercial building.

Section 3. Conditional Use Permit

With respect to the Conditional Use Permit (CUP) 353, the Planning Commission finds as follows for the proposed liquor license sales:

1. The proposed use will not be in conflict with, but will be in harmony with and in accordance with the objectives of the Coachella General Plan 2035. The site has a General Neighborhood and Open Space land use designation with Sub-Area No.12 (North Dillon) policies which encourage a final designation buildout with mixture of uses that includes 25% of the sub-area for Resort uses that allows gated communities. In addition, the Sub-Area No. 12 identifies a policy direction to “*capitalize on the access to the freeway and seek and encourage freeway oriented uses ...regional entertainment and recreation uses that benefit from easy regional access*”. The proposed Type 41- On-Sale Beer & Wine – Eating Place liquor license support the Coachella Lakes RV Resort development by enhancing the visitor and renter’s experience, while utilizing on site amenities such as the Clubhouse.
2. The proposed use will be located, designed, constructed, operated and maintained so as to be compatible with the existing character of the general vicinity and shall not change the essential character of the same area because the proposed use is within a zoning designation of C-T, PD (Commercial Tourist Planned Development Overlay) which permits facilities such as clubhouse and registration office subject to obtaining a conditional use permit to sell alcoholic beverages. The proposed use in the C-T, PD (Commercial Tourist Planned Development Overlay) and is compatible with the adjoining commercial uses and the conditional use permit can be revoked if any of the conditions of approval are violated.
3. Consideration has been given to harmony in scale, bulk, coverage and density, to the availability of public facilities and utilities, to harmful effect, if any, upon desirable neighborhood character, to the generation of traffic and the capacity of surrounding

streets, and to any other relevant impact of development, because the Coachella Lakes RV Resort is currently being constructed incorporating all infrastructure improvements to support the amenities in the development. The Clubhouse and Registration Office in which the alcohol license will apply to was part of a previously approved entitlements by Planning Commission as Environmental Assessment (EA 18-03), Conditional Use Permit (CUP 308), and Architecture Review (AR 18-18).

4. Where the proposed use may be potentially hazardous or disturbing to existing or reasonably expected neighboring uses, it must be justified by the common public interest as a benefit to the community as a whole. As conditioned, the proposed use will provide for the sale of alcoholic beverages. The Riverside County Sheriff indicated that there no concerns about the operations of this establishment including service of on-sale beer. The Sherriff's Department not recommend conditions related to public safety concerns. As such, there will be no hazardous or disturbing effects to the existing and neighboring uses.
5. The proposed use provides vehicular approaches to the property designed for reasonable interference with traffic on surrounding public streets or roads. Existing vehicular approaches from Dillon Road and Vista Del Norte will be utilized for the project. Existing on-site vehicular parking is sufficient.
6. The City of Coachella has determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an "Existing Facilities" project (CEQA Guidelines, Section 15301a) as the proposed on sale service of liquor will occur in conjunction with an existing business in an existing commercial building.
