**BACKGROUND:**

The California Government Code, City and Agency Resolutions, and their respective Investment Policies require that their respective Investment Policies be updated, reviewed and then filed with the legislative body on an annual basis. This is a request to reestablish the investment policy currently in effect as adopted on May 13, 2020. The City and its related agencies have been following the current investment policy as adopted July 9, 2003 and as amended on an annual basis.

Staff requested that PFM Asset Management review our existing investment policy and recommend changes to assure that the City's policy is comprehensive and remains compliant with all applicable California Government Code statutes regulating the investment of public funds. The recommended changes are outlined and explained in the attached memo from PFM.

**FISCAL IMPACT:**
