

RESOLUTION NO. PC2024-27

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF COACHELLA, CALIFORNIA, APPROVING ZONING ORDINANCE AMENDMENT NO. 24-02 RECOMMENDING TO THE CITY COUNCIL AMENDMENTS TO COACHELLA MUNICIPAL CODE TITLE 17, ZONING, AMENDING CHAPTERS 17.11, 17.13, 17.14, 17.15, 17.16, 17.24, 17.26, 17.28, 17.30, 17.38, 17.60, 17.70, 17.72, 17.76, AND 17.77 TO AMEND ZONING DISTRICT PERMITTED USES, DEVELOPMENT STANDARDS AND DEVELOPMENT REVIEW PROCESS. CITY-INITIATED.

WHEREAS, pursuant to the authority granted to the City of Coachella (“City”) by Article XI, Section 7 of the California Constitution, the City has the police power to regulate the use of land and property within the City in a manner designed to promote public convenience and general prosperity, as well as public health, welfare, and safety; and,

WHEREAS, the proposed Ordinance would amend Title 17 (Zoning) to streamline the development review process, create more flexibility in development standards, implement the General Plan and modify Zoning Ordinance to address new changes required by State Law.

WHEREAS, based on that analysis, the Planning Commission recommends to the City Council that the phase 2 code streamline amendments are exempt from further review of the California Environmental Quality Act (CEQA) because it is an administrative activity which will not result in a direct or reasonably foreseeable indirect physical change to the environment and is not a "project" as defined by section 15378 pursuant to State CEQA Guidelines 15060(c)(2 and 3) and 15061(b)(3). The Ordinance will not result in any increase in the intensity or density of any land use above what is currently allowed in the Coachella General Plan 2035 and the Zoning Ordinance.

WHEREAS, on November 20, 2024 the Planning Commission held a duly noticed public hearing to review the project, as modified and the related environmental documents, at which time during the hearing members of the public were given an opportunity to testify regarding the Project; and

WHEREAS, after said public hearing, the Planning Commission recommended that the City Council approve this Ordinance.

NOW THEREFORE, THE PLANNING COMMISSION OF THE CITY OF COACHELLA, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The Planning Commission of the City of Coachella, California, hereby finds that the foregoing recitals are true and correct and are incorporated herein as substantive findings of this Resolution.

SECTION 2. Recommendation to City Council. Based on the entire record before the Planning Commission, all written and oral evidence presented to the Planning Commission, and the findings made in the staff report and this Resolution, the Planning Commission of the City of Coachella hereby recommends that the City Council adopt an Ordinance entitled: “AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AMENDING CHAPTERS 17.11, 17.13, 17.14, 17.15, 17.16, 17.24, 17.26, 17.28, 17.30, 17.38, 17.60, 17.70, 17.72, 17.76 AND 17.77 TO AMEND ZONING DISTRICT PERMITTED USES, DEVELOPMENT STANDARDS AND DEVELOPMENT REVIEW PROCESS. CITY-INITIATED,” which is attached hereto as Exhibit “A.”

SECTION 3. Findings. The Planning Commission finds that the amendments to the Coachella Municipal Code proposed by the above referenced ordinance are consistent with and implement the goals and policies of all elements of the General Plan and exercise the City’s land use powers to protect the health, safety, and welfare of the public.

The Planning Commission also finds that the proposed amendments to the Coachella Municipal Code would not be detrimental to the public interest, health, safety, convenience, or welfare of the City in that they will establish appropriate uses and development standards as envisioned by the General Plan 2023. Furthermore, the Phase 2 Streamline Code Amendments are consistent with the following General Plan Policies:

- **Land Use and Community Character Policy 2.3 Urban Design and Identity.** Recognize the City can differentiate itself from other Coachella Valley cities through urban design practices such as the development of complete neighborhoods, preservation of agriculture and open space, pedestrian-oriented design and sustainable development practices. The Phase 2 streamline code amendments establishes design standards that ensure quality architectural and landscape design for single family residential and commercial projects. The amendments ensure quality public realm design that encourages pedestrian activity.
- **Land Use and Community Character Policy 2.5 High quality construction and architecture.** Require high-quality and long-lasting building materials on all new development projects in the City. Encourage innovative and quality architecture in the City with all new public and private projects. The Phase 2 streamline code amendments established building modulation, fenestration, and architectural accent standards that ensure quality architecture for multi-family residential and mixed-use projects.
- **Land Use and Community Character Policy 2.7 Climate-appropriate design.** Require architecture, building materials and landscape design to respect and relate to the local climate, topography, history, and building practices. The Phase 2 streamline code amendments requires residential and commercial projects to plan for energy efficiency and heat island reduction strategies.
- **Sustainability and Natural Environment Goal 5 Agricultural Preservation.** The Phase 2 streamline code amendments ensure existing commercial agricultural uses are

permitted uses rather than nonconforming uses. The residential estate zone amendments incentivize property owners to preserve agriculture with new conditionally permitted lodging uses that ensure that agriculture can be preserved in a way that is economically viable.

The Planning Commission also finds that the proposed amendments to the Coachella Municipal Code are internally consistent with other applicable provisions of this Zoning Code.

SECTION 4. CEQA. The Planning Commission finds that proposed based on that analysis, that the draft Phase 2 Streamline Code Amendments are exempt from further review of the California Environmental Quality Act (CEQA) because it is an administrative activity which will not result in a direct or reasonably foreseeable indirect physical change to the environment and is not a "project" as defined by section 15378 pursuant to State CEQA Guidelines 15060(c)(2 and 3) and 15061(b)(3). The Ordinance will not result in any increase in the intensity or density of any land use above what is currently allowed in the Coachella General Plan 2035 and the Zoning Ordinance.

SECTION 5. Certification. The Secretary shall certify to the adoption of this Resolution.

APPROVED AND ADOPTED by the members of the City of Coachella Planning Commission on this 20th day of November, 2024.

Jason Hernandez,
Planning Commission Chair
