SUBJECT: Adopt Resolution No. 2021-69 Authorizing the City Manager to Submit an Application to the County of Riverside for the Fiscal Year 2022-23 Community Development Block Grant Program Entitlement Funds in the Amount of \$364,000.00 for the Bagdouma Park Phase III Rehabilitation Project

STAFF RECOMMENDATION:

Staff recommends that the City Council hold a public hearing, receive public comment, and consider adopting Resolution No. 2021-69 authorizing the City Manager to submit an application for the Community Development Block Grant program Entitlement Funds for Fiscal Year 2022-23 in the amount of \$364,000.00 for the Bagdouma Park Phase III Rehabilitation Project, which will install a new, prefabricated restroom facility near the basketball courts and field lighting for soccer fields 1 and 2.

BACKGROUND:

The County of Riverside and City of Coachella executed a Cooperation Agreement, for a term commencing July 1, 2021 through June 30, 2024 for the Community Development Block Grant, Home Investment Partnership Program and Emergency Solutions Grant for fiscal years 2021-22, 2022-23, and 2023-24, whereby the City elected to participate with the County, which has qualified as an “Urban County” for purposes of receiving Community Development Block Grant (CDBG) funds, and to assist and undertake essential community development and housing assistance activities pursuant to the Housing and Community Development Act of 1974.

Through this agreement, the City agreed to undertake and assist with the community development activities, within its jurisdiction, by utilizing the sum of \$364,000.00, CDBG Entitlement Funds for the Bagdouma Park Phase III Rehabilitation Project, which will install a new, prefabricated restroom facility near the basketball courts and field lighting for soccer fields 1 and 2 in CDBG fiscal year 2022-2023. This allocation reflects a proportional share of the County of Riverside’s entitlement allocation from the Department of Housing and Urban Development (HUD). The City can use its allocation for any eligible CDBG-activity, including, but not limited to, housing rehabilitation, code enforcement, and infrastructure improvement needs, as long as the primary beneficiaries are low-to-moderate income households. The City’s annual allocation is based on a formula that includes population, poverty rate, overcrowding, and sub-standard housing. For fiscal

year 2022-2023, the City of Coachella's allocation is approximately \$364,000.00 for CDBG-related activities.

DISCUSSION/ANALYSIS:

Through the 2022-2023 CDBG General Allocation, City Staff is proposing the submittal of a grant application for up to \$364,000.00 to install a new, pre-fabricated restroom facility near the basketball courts and field lighting for soccer fields 1 and 2 as part of the Bagdouma Park Phase III Rehabilitation Project.

The proposed activity is considered eligible for CDBG funding because it meets one or more of the following CDBG national objectives:

- Provide a benefit to low and moderate income persons;
- Prevent or eliminate slums and blight; or
- Meet other urgent community development needs due to natural disasters or other emergencies.
