EXECUTIVE SUMMARY:

On June 10, 2015, the Board adopted Resolution No. SD 2015-04 which approved the placement of the sewer charges on the Riverside County tax roll. On February 28, 2018, the Board approved Ordinance No. SD-06 adopting new or increased rates for its sewer charges commencing July 1, 2018.

Each single family residential parcel in the City that receives sewer service shall each year pay the City a charge to fund operation, maintenance, and capital costs associated with the city's sewer system. This Sewer Charge shall remain in effect until repealed or modified by Ordinance of the Board.

For Fiscal Year 2022/2023, 6,879 parcels are currently eligible for the sewer service charge for a total preliminary levy amount of \$4,106,534.40. The rates in effect for the Fiscal Year 2022/2023 are unchanged from the rates for Fiscal Year 2021/2022, as authorized under Ordinance No. SD-06.

Residential sewer charges are collected across the Coachella Valley on the County Tax Roll by all agencies providing service: Coachella Sanitary District, Valley Sanitary District, which also serves a portion of Coachella, Coachella Valley Water District and the City of Palm Springs.
