

**RESOLUTION NO. 2022-78**

**A RESOLUTION OF THE COACHELLA CITY COUNCIL ADOPTING AN ADDENDUM TO ENVIRONMENTAL IMPACT REPORT FOR THE CITY OF COACHELLA GENERAL PLAN UPDATE (SCH #2009021007) PURSUANT TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND APPROVAL OF GENERAL PLAN AMENDMENT NO. 22-01 TO CHANGE THE LAND USE DESIGNATION FROM INDUSTRIAL DISTRICT TO URBAN EMPLOYMENT CENTER ON A 7.8 ACRE SITE (APN 763-400-016 and 763-400-017) LOCATED NEAR THE SOUTHWEST CORNER OF INDUSTRIAL WAY AND AVENUE 52. CITY-INITIATED.**

**WHEREAS**, in 2015, the City of Coachella (“City”) adopted a General Plan Update to guide development and provide a basis for decision-making for the City through 2035; and

**WHEREAS**, pursuant to the California Environmental Quality Act (Pub. Resources Code, § 21000 *et seq.*) (“CEQA”) and the State CEQA Guidelines (Cal. Code of Regs., tit. 14, § 15000 *et seq.*), in 2015 the City certified the Final Environmental Impact Report (“CGPU EIR”) (SCH # 2009021007), in connection with the General Plan Update; and

**WHEREAS**, the CGPU EIR considered buildout conditions of the Proposed Land Use Plan, which included the maximum buildout potential of a 7.8-acre site located near the southwest corner of Avenue 52 and Industrial Way (“Project Site”) under the “Industrial District” land use designation; and

**WHEREAS**, to facilitate the development of the City parcels , the City proposes a General Plan Amendment to change the land use designation of the 7.8-acre site from “Industrial District” to “Urban Employment Center” and a Change of Zone to reclassify the site from M-H, Heavy Industrial, to Urban Employment Center Zoning District (“Project”); and

**WHEREAS**, pursuant to CEQA, when taking subsequent discretionary actions in furtherance of a project for which an Environmental Impact Report (“EIR”) has been certified or a Mitigated Negative Declaration (“MND”) has been adopted, the lead agency is required to review any changed circumstances to determine whether any of the circumstances under Public Resources Code section 21166 and State CEQA Guidelines section 15162 require additional environmental review; and

**WHEREAS**, by way of preparation of an Addendum, attached hereto as Exhibit “B” and incorporated herein, the City has evaluated the Project in light of the standards for subsequent environmental review outlined in Public Resources Code section 21166 and State CEQA Guidelines section 15162; and

**WHEREAS**, based on that analysis, the City Council has concluded that approval of the Project does not require preparation of a subsequent or supplemental EIR because there is no possibility for new significant environmental effects or a substantial increase in the severity of previously identified significant environmental effects; and

**WHEREAS**, the City, as lead agency, determined an Addendum to the certified CGPU EIR should therefore be prepared for the Project’s proposed minor technical changes; and

**WHEREAS**, the Addendum, attached hereto as Exhibit “B” and incorporated herein, to the certified CGPU EIR was prepared pursuant to CEQA, the State CEQA Guidelines, and the City’s Local CEQA Guidelines; and

**WHEREAS**, pursuant to State CEQA Guidelines section 15164, subdivision (c), the Addendum is not required to be circulated for public review, but can be attached to the certified CGPU EIR; and

**WHEREAS**, on July 26, 2022 the Planning Commission held a duly noticed public hearing to review the project, as modified and the related environmental documents, at which time during the hearing members of the public were given an opportunity to testify regarding the Project; and

**WHEREAS**, after said public hearing, the Planning Commission recommended that the City Council approve this Resolution; and,

**WHEREAS**, the City Council conducted a properly noticed public hearing on July 27, 2022 at which members of the public were afforded an opportunity to comment on this Ordinance, the recommendations of staff, and other public testimony.

**WHEREAS**, the City Council carefully considered all information pertaining to the Project, including the staff report, the Addendum together with the CGPU EIR, and all of the information, evidence, and testimony presented at its public hearing; and

**WHEREAS**, all other legal prerequisites to the adoption of this Resolution have occurred.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:**

**SECTION 1. Recitals.** The above recitals are true and correct and incorporated herein as findings of fact.

**SECTION 2. Compliance with the California Environmental Quality Act.** The City Council has reviewed and considered the information contained in the Addendum to the CGPU EIR, comments received, and other documents contained in the administrative record for the Project. The City Council finds adequacy in the CEQA documents and finds that the Addendum to the CGPU EIR and administrative record contain a complete and accurate reporting of the environmental impacts associated with the Project and reflects the independent judgment and analysis of the City Council. The City Council finds that the Addendum to the CGPU EIR, as shown in “Exhibit B” attached and made a part hereto, has been completed in compliance with CEQA, the State CEQA Guidelines, and the City of Coachella’s Local CEQA Guidelines.

**SECTION 3. Findings on the Necessity for a Subsequent or Supplemental Environmental Impact Report.** Based on substantial evidence set forth in the record, including but not limited to,

the CGPU EIR, the Addendum, and all related information presented to the City Council, the City Council finds that, based on the whole record before it, none of the conditions under State CEQA Guidelines section 15162 requiring subsequent environmental review have occurred because the Project:

- (a) will not result in substantial changes that will require major revisions of the CGPU EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of the previously identified significant effects; and
- (b) will not result in substantial changes with respect to the circumstances under which the Project is developed that would require major revisions of the CGPU EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of the previously identified significant effects; and
- (c) does not present new information of substantial importance that was not known and could not have been known with the exercise of reasonable diligence at the time the CGPU EIR documents were adopted, as applicable, showing any of the following:
  - (i) that the modifications would have one or more significant effects not discussed in the earlier environmental documentation;
  - (ii) that significant effects previously examined would be substantially more severe than shown in the earlier environmental documentation;
  - (iii) that mitigation measures or alternatives previously found not to be feasible would in fact be feasible and would substantially reduce one or more significant effects, but the applicant declined to adopt such measures; or
  - (iv) that mitigation measures or alternatives considerably different from those analyzed previously would substantially reduce one or more significant effects on the environment, but which the applicant declined to adopt.

**SECTION 4. Findings on Environmental Impacts.** Based on the Addendum, the administrative record, and having considered the CGPU EIR and all written and oral evidence presented to the City Council, the City Council finds that all environmental impacts of the Project have been addressed within the certified CGPU EIR. The City Council finds that no new or additional mitigation measures or alternatives are required. The City Council finds that there is no substantial evidence in the administrative record supporting a fair argument that the Project may result in any significant environmental impacts beyond those analyzed in the certified CGPU EIR. The City Council finds that the Addendum contains a complete, objective, and accurate reporting of the environmental impacts associated with the Project and reflects the independent judgment and analysis of the City Council.

**SECTION 5. Adoption of the Addendum to the CGPU Environmental Impact Report.** The City Council hereby approves and adopts the Addendum prepared for the Project.

**SECTION 6. General Plan Amendment No. 22-01.** The City Council hereby approves a change to Figure 4-23 of the General Plan 2035 Land Use and Community Character Element,

entitled “General Plan Designation Map” to change the designation from “Industrial District” to “Urban Employment District” as shown in “Exhibit A” attached and made a part hereto.

**SECTION 7. Custodian of Records.** The documents and materials that constitute the record of proceedings on which these findings are based are located at Coachella City Hall. City Clerk is the custodian of the record of proceedings.

**SECTION 8. Execution of Resolution.** The Mayor shall sign this Resolution and the City Clerk shall attest and certify to the passage and adoption thereof.

**PASSED, APPROVED and ADOPTED** this 27<sup>th</sup> day of July 2022.
