Findings for Conditional Use Permit No. 305

1. The Project is consistent with the goals, objectives, policies, and implementation measures of the Coachella General Plan 2035. The proposed uses on the site are in keeping with the policies of the Downtown Center land use classification and the Project is internally consistent with other General Plan policies for this type of development.
2. The Project is in compliance with the applicable land use regulations and development standards of the City’s Zoning Code. The site plans proposes a cannabis microbusiness including an indoor cannabis lounge where cannabis products will be sold and consumed. The Project complies with applicable CG-RC (General Commercial-Retail Cannabis Overlay) zoning standards as proposed.
3. Every use, development of land and application of architectural guidelines and development standards shall be considered on the basis of the suitability of the site for a particular use or development intended, and the total development, including the prescribed development standards, shall be so arranged as to avoid traffic congestion, ensure the protection of public health, safety and general welfare, prevent adverse effects on neighboring property and shall be in accord with all elements of the general plan. The Project site is within the Downtown Center land use designation of the City’s general plan. This category provides for a broad spectrum of commercial and residential land uses. The proposed uses are compatible with existing adjacent land uses.
4.
