PLEASE FURNISH BRIEF RESPONSES TO THE QUESTIONS BELOW:

1. Why do you think you should be appointed? What is there specifically in your background, training, education and interests that qualifies you as a candidate?

I have been a member of Culturas Music & Arts since 2012. I have volunteered by painting 2 panels for the Shady Lane Mural; the Mexican Revolution and the Golden Era of Mexican Cinema and Music.

2. What do you see as the goals and objectives of the Commission? How would you help achieve these objectives and goals?

The Cultural and Arts commission should facilitate new works of art in the City of Coachella. It should do so keeping in mind that the works improve the lives of Coachella residents, reflect the community, & provide opportunities for local artists. Through my work with Culturas I have gained the experience to achieve these goals.

3. What special qualities can you bring to the Commission?

I have a deep and sincere love for Coachella. I have a passion for art because of the impact it has had in my life. I have experience organizing art events and creating artwork as an artist myself.

4. Do you have any questions or comments about the Commission's structure or functions?

5. Other comments and/or ideas as to how you as a member of the Cultural and Arts Commission could benefit the City of Coachella.

I feel that local artists should be showcased more in new works throughout the city.

There is so much local talent in the city of a Coachella and throughout the Valley who would benefit from opportunities the city can provide through public art.
