### PLEASE FURNISH BRIEF RESPONSES TO THE QUESTIONS BELOW:

1. Why do you think you should be appointed? What is there specifically in your background, training, education and interests that qualifies you as a candidate?

I think there are many reasons as why I would be a very good appointee, one of them being that I am very well known in our community. What qualifies me is I have been a coach/trainer for sports for almost about a decade with different types of teams in our city and out of the valley as well.

2. What do you see as the goals and objectives of the Commission? How would you help achieve these objectives and goals?

I think the main goal is to get the youth participated as much as they can so that the likelihood of them making bad actions would be low.

3. What special qualities can you bring to the Commission?

Special qualities that I can bring are the ability to coach and mentor, knowledge and supportive.

4. Do you have any questions or comments about the Commission's structure or functions?

No, I believe it is a working structure.
