SECTION 3. CEQA DETERMINATION. The City Council finds that this Ordinance is not subject to the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines Section 15060(c)(2) because it is not a "project" as defined in CEQA Guidelines Section 15378. The Ordinance establishes public health regulations governing smoking, vaping, and the use of tobacco and cannabis products in specified locations throughout the City and does not authorize or result in any direct or reasonably foreseeable physical change to the environment.

In the alternative, if the Ordinance were determined to constitute a "project" under CEQA, it is exempt pursuant to CEQA Guidelines Section 15061(b)(3), the common sense exemption, because it can be seen with certainty that there is no possibility that adoption of this Ordinance may have a significant effect on the environment. The Ordinance establishes operational

regulations intended to protect public health, improve air quality, reduce smoking-related litter, and decrease fire hazards and does not authorize any physical development or expansion of existing uses.

SECTION 4. SEVERABILITY. If any section, subsection, subdivision, sentence, or clause or phrase in this Ordinance or any part thereof is for any reason held to be unconstitutional, invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance or any part thereof. The City Council hereby declares that it would have adopted each section irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, or phrases are declared unconstitutional, invalid, or ineffective.

SECTION 5. EFFECTIVE DATE. This Ordinance shall become effective thirty (30) days from its adoption.

SECTION 6. PUBLICATION. The City Clerk shall certify to the adoption of this Ordinance and cause it, or a summary of it, to be published in a newspaper of general circulation printed and published within the City of Coachella, pursuant to all legal requirements.

PASSED, APPROVED AND ADOPTED by the City Council of the City of Coachella on the 9th day of September 2026.
