

STAFF REPORT
10/12/2022

TO: Honorable Mayor and City Council Members

FROM: Andrew Simmons, P.E., City Engineer

SUBJECT: Resolution 2022-90, A Resolution Authorizing the City Manager To Execute Agreements on Behalf of the City Associated with Local Road Safety Plan – Federal Aid # LRSPL-5294(019)

STAFF RECOMMENDATION:

Approve Resolution 2022-90, A Resolution Authorizing the City Manager To Execute Agreements on Behalf of the City Associated with Local Road Safety Plan – Federal Aid # LRSPL-5294(019)

DISCUSSION/ANALYSIS:

The City of Coachella has been awarded Federal funding to create a Local Road Safety Plan. The State is the administering agency for these funds and is requiring the execution of a Program Supplemental Agreement to the current State Master Agreement. The State is also requiring a certified authorizing resolution that clearly identifies the project and the official authorized to execute the agreements.

The total funds are in the amount of \$44,000. It is recommended that a blanket resolution authorizing the City Manager to have all project associated agreements executed on the City's behalf at their discretion be adopted. This will greatly facilitate the processing of future certificates, agreements, reimbursements, or other related paperwork that will be required as the project progresses.

FISCAL IMPACT:

No fiscal impact to budget. The local match for this project is \$16,000 and has been appropriated in the CIP FY 22/23 budget.
