

LOCAL AGENCY AGREEMENT
State Funded Local Project Program
West Van Duyn Street (Coburg)

THIS AGREEMENT is made and entered into by and between THE STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "State" or "ODOT;" and CITY OF COBURG, acting by and through its elected officials, hereinafter referred to as "Agency," both herein referred to individually or collectively as "Party" or "Parties."

RECITALS

1. Agency wishes to exchange unspent federal funds for state funds, in order to fund the Project using state funding. State has determined that Agency is eligible for state funds for the work to be performed under this Agreement through the State Funded Local Project Program. The Parties enter into this Agreement to exchange these funds, identify the Project that will be funded with the state funds, and describe the method State will use to reimburse Agency for work performed on the Project using the state funds, including establishing invoicing requirements and the proportional reimbursement rate.
2. By the authority granted in Oregon Revised Statute (ORS) 190.110, 366.572 and 366.576, state agencies may enter into cooperative agreements with counties, cities, and units of local government for the performance of any or all functions and activities that a party to the Agreement, its officers, or agents have the authority to perform.
3. West Van Duyn Street is part of the county road system under the jurisdiction and control of Lane County. All facilities, except sidewalks and planting strips, within the road right of way are under the jurisdiction and control of Lane County. Sidewalks and planting strips throughout the limits of this project are under the jurisdiction and control of Agency.

NOW THEREFORE, the premises being in general as stated in the foregoing Recitals, it is agreed by and between the Parties hereto as follows:

TERMS OF AGREEMENT

1. State and Agency agree to Agency constructing sidewalks on the south side of West Van Duyn Street between Coburg Bottom Loop Road and Water Street, hereinafter referred to as "Project." The Project location and approximate limits are shown on the map marked "Exhibit A," attached hereto and by this reference made a part hereof.
2. The total Project cost for the work to be performed under this Agreement is estimated at \$44,578.18, which is subject to change. Prior to exchanging funds, the federal share of the total Project cost is \$40,000.

- a. Per the 1:1 fund exchange ratio of state dollars to federal dollars, Agency will exchange \$40,000 of federal dollars allocated for this Project for \$40,000 of state dollars.
 - b. State funds under this Agreement are limited to \$40,000.
3. Upon receipt and approval of Agency's invoice(s), State shall proportionately reimburse Agency 89.73 percent of eligible, actual costs incurred in carrying out the Project, up to the maximum amount of state funds committed for the Project.
4. Agency is solely responsible for any and all costs incurred in excess of the state funds identified in this Agreement. Any unspent state funds will be retained by State and will not be available for Agency use. State funds transferred to Agency must be used for the Project.
5. To be eligible for reimbursement, expenditures must comply with the requirements of Article IX, Section 3a of the Oregon Constitution. Eligible costs are defined as reasonable and necessary costs incurred by the Agency in performance of the Project.
6. The term of this Agreement will begin upon the date all required signatures are obtained and will terminate upon completion of the Project and final payment or ten (10) calendar years following the date of final execution, whichever is sooner.

AGENCY OBLIGATIONS

1. Agency shall perform the work described in Terms of Agreement, paragraph 1 of this Agreement.
2. **Americans with Disabilities Act Compliance:**
 - a. Agency shall ensure that the Project, including all sidewalks, curb ramps, and pedestrian-activated signals, is designed, constructed and maintained to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 as amended (together, "ADA").

Agency may follow its own processes or may use ODOT's processes for design, construction, or alteration of Project sidewalks, curb ramps, and pedestrian-activated signals, including using the ODOT Highway Design Manual, ODOT Design Exception process, ODOT Standard Drawings, ODOT Construction Specifications, providing a temporary pedestrian accessible route plan and current Curb Ramp Inspection form, available at:

<https://www.oregon.gov/ODOT/Engineering/Pages/Accessibility.aspx>;

Additional ODOT resources are available at the above-identified link. ODOT has made its forms, processes, and resources available for Agency's use and convenience.

- b. Agency assumes sole responsibility for ensuring that the Project complies with the ADA, including when Agency uses ODOT forms and processes. Agency acknowledges and agrees that ODOT is under no obligation to review or approve Project plans or inspect the completed Project to confirm ADA compliance.
 - c. Agency shall ensure that temporary pedestrian routes are provided through or around any Project work zone. Any such temporary pedestrian route shall include directional and informational signs and include accessibility features equal to or better than the features present in the existing pedestrian route. Agency shall also ensure that advance notice of any temporary pedestrian route is provided in accessible format to the public, people with disabilities, and disability organizations prior to the start of construction.
 - d. Agency shall ensure that any portions of the Project under Agency's maintenance jurisdiction are maintained in compliance with the ADA throughout the useful life of the Project. This includes, but is not limited to, Agency ensuring that:
 - i. Pedestrian access is maintained as required by the ADA,
 - ii. Any complaints received by Agency identifying sidewalk, curb ramp, or pedestrian-activated signal safety or access issues are promptly evaluated and addressed,
 - iii. Agency, or abutting property owner, pursuant to local code provisions, performs any repair or removal of obstructions needed to maintain the facility in compliance with the ADA requirements that were in effect at the time the facility was constructed or altered,
 - iv. Any future alteration work on Project or Project features during the useful life of the Project complies with the ADA requirements in effect at the time the future alteration work is performed, and
 - v. Applicable permitting and regulatory actions are consistent with ADA requirements.
 - e. Maintenance obligations in this section shall survive termination of this Agreement.
3. Except as otherwise provided in Agency Obligations paragraph 2 above, Agency agrees that the Project shall be developed in conformance with the applicable American Association of State Highway and Transportation Officials (AASHTO)

standards, including the current edition of A Policy on Geometric Design of Highways and Streets.

4. Agency shall submit all of the following items to State's Project Manager, at Project completion and prior to final payment:
 - a. Final Project Completion Inspection Form No. 734-5063 (completed with State's Project Manager);
 - b. Final Cost; and
 - c. As-Constructed Drawings.
5. Agency shall present invoices for the eligible, actual costs incurred by Agency on behalf of the Project directly to State's Project Manager listed in this Agreement for review and approval. Such invoices shall be in a form identifying the Project, Key number, the Agreement number, the Project phase and amount charged to each (such as preliminary engineering, right of way, and construction), the invoice number, and will itemize all expenses for which reimbursement is claimed. Invoices shall be presented for periods greater than one month, based on actual expenses incurred, and must clearly specify the percentage of completion of the Project. Agency shall also include with the invoice a Project progress report or summary that describes work accomplished for the period being invoiced and work expected for the next invoicing period. Travel expenses will not be reimbursed.
6. Agency, or its consultant, shall conduct the necessary preliminary engineering and design work required to produce final plans, specifications and cost estimates in accordance with current state and federal laws and regulations; obtain all required permits; be responsible for all utility relocations; advertise for bid proposals; award all contracts; perform all construction engineering; and make all contractor payments required to complete the Project.
7. Agency or its consultant shall acquire all necessary right of way in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, ORS Chapter 35 and the State Right of Way Manual.
8. Agency shall comply with all federal, state, and local laws, regulations, executive orders and ordinances applicable to the work under this Agreement, including, without limitation, the provisions of ORS 279C.505, 279C.515, 279C.520, 279C.530 and 279B.270 incorporated herein by reference and made a part hereof. Without limiting the generality of the foregoing, Agency expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.

9. Agency shall perform the services under this Agreement as an independent contractor and shall be exclusively responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement including, but not limited to, retirement contributions, workers' compensation, unemployment taxes, and state and federal income tax withholdings.
10. All employers, including Agency, that employ subject workers who work under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage unless such employers are exempt under ORS 656.126. Employers Liability insurance with coverage limits of not less than \$500,000 must be included. Agency shall ensure that each of its subcontractors complies with these requirements.
11. Agency shall, at its own expense, maintain, operate, and provide power as needed upon Project completion at a minimum level that is consistent with normal depreciation and/or service demand and throughout the useful life of the Project. State and Agency agree that the useful life of this Project is defined as 20 years. Maintenance and power responsibilities shall survive any termination of the Project Agreement.
12. Utility relocation or reconstruction may or may not be an eligible Project expense according to the following standard:
 - a. The expense is an eligible expense if the owner of the utility facility possesses a property right for its location on the public right of way.
 - b. The expense is not an eligible expense if the owner of the utility facility does not possess a property right for its location, but the facility exists on the public right of way solely under the permission of the Agency or other road authority, whether that permission is expressed or implied, and whether written or oral.
13. Agency certifies, at the time this Agreement is executed, that sufficient funds are available and authorized for expenditure to finance costs of this Agreement within Agency's current appropriation or limitation of the current budget. Agency further agrees that they will only submit invoices to State for reimbursement on work that has been performed and paid for by Agency as described in this Agreement.
14. Agency shall require its contractor(s) and subcontractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon, Oregon Transportation Commission and its members, Oregon Department of Transportation and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260 (Claims), to the extent such Claims are caused, or alleged to be caused by

the negligent or willful acts or omissions of Agency's contractor or any of the officers, agents, employees or subcontractors of the contractor. It is the specific intention of the Parties that State shall, in all instances, except to the extent Claims arise from the negligent or willful acts or omissions of the State, be indemnified from and against all Claims caused or alleged to be caused by the contractor or subcontractor.

15. Any such indemnification shall also provide that neither Agency's contractor and subcontractor nor any attorney engaged by Agency's contractor and subcontractor shall defend any claim in the name of the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State of Oregon may, at anytime at its election assume its own defense and settlement in the event that it determines that Agency's contractor is prohibited from defending the State of Oregon, or that Agency's contractor is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue or that it is in the best interests of the State of Oregon to do so. The State of Oregon reserves all rights to pursue claims it may have against Agency's contractor if the State of Oregon elects to assume its own defense.
16. If Agency enters into a construction contract for performance of work for the Project, then Agency will include provisions in that contract requiring its contractor to comply with the following:
- a. Contractor and Agency shall name State as a third party beneficiary of the resulting contract.
 - b. Contractor shall indemnify, defend and hold harmless State from and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of, or relating to the activities of Contractor or its officers, employees, sub-contractors, or agents under the resulting contract.
 - c. Commercial General Liability. Contractor shall obtain, at Contractor's expense, and keep in effect during the term of the resulting contract, Commercial General Liability Insurance covering bodily injury and property damage in a form and with coverages that are satisfactory to State. This insurance shall include personal and advertising injury liability, products and completed operations. Coverage may be written in combination with Automobile Liability Insurance (with separate limits). Coverage shall be written on an occurrence basis. If written in conjunction with Automobile Liability the combined single limit per occurrence shall not be less than ☒ \$1,000,000 ☐ \$2,000,000 ☐ \$5,000,000 for each job site or location. Each annual aggregate limit shall not be less than ☐ \$1,000,000 ☒ \$2,000,000 ☐ \$4,000,000 ☐ 10,000,000.

- d. Automobile Liability. Contractor shall obtain, at Contractor's expense, and keep in effect during the term of the resulting contract, Commercial Business Automobile Liability Insurance covering all owned, non-owned, or hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits). Combined single limit per occurrence shall not be less than \$1,000,000.
 - e. Additional Insured Endorsement. The liability insurance coverage, except Professional Liability, Errors and Omissions, or Workers' Compensation, if included, required for performance of the resulting contract will include State and its divisions, officers and employees as Additional Insured but only with respect to the Contractor's activities to be performed under the resulting contract. Coverage shall be primary and non-contributory with any other insurance and self-insurance.
 - f. Notice of Cancellation or Change. There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance coverage(s) without thirty (30) days written notice from the Contractor or its insurer(s) to State. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of the resulting contract and shall be grounds for immediate termination of the resulting contract and this Agreement.
17. Agency acknowledges and agrees that State, the Oregon Secretary of State's Office, and their duly authorized representatives shall have access to the books, documents, papers, and records of Agency which are directly pertinent to the specific Agreement for the purpose of making audit, examination, excerpts, and transcripts during the course of the Project and for a period of six (6) years after final payment. Copies of applicable records shall be made available upon request. Payment for costs of copies is reimbursable by State.
18. Agency certifies and represents that the individual(s) signing this Agreement has been authorized to enter into and execute this Agreement on behalf of Agency, under the direction or approval of its governing body, commission, board, officers, members or representatives, and to legally bind Agency.
19. Agency's Project Manager for this Agreement is Anne Heath, City Administrator, City of Coburg, 91136 N. Willamette Street, Coburg, Oregon 97408; phone: (541) 682-7871; email: anne.heath@ci.coburg.or.us, or assigned designee upon individual's absence. Agency shall notify the other Party in writing of any contact information changes during the term of this Agreement.

STATE OBLIGATIONS

1. In consideration for the services performed under this Agreement, State shall reimburse Agency 89.73 percent of eligible costs incurred in carrying out the Project up to the maximum amount of state funds committed for the Project in Terms of

Agreement, paragraph 2 of this Agreement. Reimbursements shall be made by State within forty-five (45) days of State's approval of a request for reimbursement from Agency, except that final payment will be withheld until the State's Project Manager has completed final project inspection and project acceptance.

2. State shall provide the following items to Agency's Project Manager no later than 30 days after execution of this Agreement:
 - a. Scoping Notes; and
 - b. Any other project specific information gathered during the scoping and selection process.
3. State's Project Manager will arrange for a final project inspection upon notification from Agency of Project completion, to confirm project completeness and fulfillment of Agreement obligations, prior to final payment.
4. State's Project Manager for this Agreement is Drake McKee, Transportation Project Manager, ODOT Area 5, 2080 Laura Street, Springfield, Oregon 97477; phone: (541) 736-9156; email: drake.a.mckee@odot.state.or.us, or assigned designee upon individual's absence. State shall notify the other Party in writing of any contact information changes during the term of this Agreement.

GENERAL PROVISIONS

1. This Agreement may be terminated by mutual consent of both Parties.
2. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
 - a. If Agency fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
 - b. If Agency fails to perform any of the other provisions of this Agreement or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from State fails to correct such failures within ten (10) days or such longer period as State may authorize.
 - c. If Agency fails to provide payment of its share of the cost of the Project.
 - d. If State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement.

- e. If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the work under this Agreement is prohibited or if State is prohibited from paying for such work from the planned funding source.
3. If State terminates this Agreement for the reasons described in General Provisions 2(a) or (b) above, Agency must reimburse State for all state funds expended. If Agency fails to reimburse State, State may withhold Agency's proportional share of State Highway Fund distribution necessary to reimburse State for costs incurred by such Agency breach.
4. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
5. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Agency with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
6. With respect to a Third Party Claim for which State is jointly liable with Agency (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Agency in such proportion as is appropriate to reflect the relative fault of State on the one hand and of Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Agency on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.
7. With respect to a Third Party Claim for which Agency is jointly liable with State (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of State on the

other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

8. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
9. State and Agency are the only Parties to this Agreement and, as such, are the only Parties entitled to enforce its terms. Nothing in this Agreement gives or shall be construed to give or provide any benefit, direct, indirect or otherwise to third persons unless such third persons are expressly identified by name and specifically described as intended to be beneficiaries of its terms.
10. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
11. This Agreement and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions.

This Project is in the 2018-2021 Statewide Transportation Improvement Program (STIP), (Key No. 21376) that was adopted by the Oregon Transportation Commission on July 20, 2017 (or subsequently by amendment to the STIP).
