Dear Ms. Kohley,

I want you to express my gratitude and that of other community members for making Coburg a more beautiful place. I recently received a letter from a resident of Coburg praising your efforts.

You were (and will continue to be) a driving force in the production of art that is enjoyed by the public. These include the painted quilt blocks, restoration of vintage Christmas decorations, to name just a few. It is noted that you contacted vendors for donations, organized teams of volunteers and hauled supplies to work sites. Your optimism and organizational skills have brought many projects to completion and will bring smiles to faces for years to come.

Thanks for all you do and for your willingness to share your time and talents with so many in Coburg.

With sincere appreciation,
