## Who was John Diamond?

### **Pioneer Settler:**

John Diamond was an Irish immigrant who settled in the Coburg area in 1847.

### **Diamond Lake & Diamond Peak**

He is also known for seeing Diamond Lake in 1852 and for the associated Diamond Peak, both of which are named in his honor.

### **Immigration Route:**

John Diamond was part of a group that helped open an immigration route from the Middle Fork of the Willamette River to Idaho.

### **How is he associated with Coburg?**

**City Founder:** John Diamond was one of the founders of Coburg in 1847.

**Original Name:** The city was originally named Diamond after him, but it later changed to Coburg after a beautiful stallion named Coburg that was brought in from the Coburg District of Bavaria Germany.
