TERMS & CONDITIONS

- These Terms and Conditions are by and between {Company} (hereinafter the "Contractor"), and the front-side "Purchaser", (hereinafter the "Purchaser").
- Unit prices, if specified, shall apply to all extra work performed beyond the original scope, if such work can be performed at the same time Contractor is working at the site on original items of work. Contractor reserves the right to renegotiate the terms and conditions, including price if it must move any equipment back to the site to perform additional work. Contractor will be under no obligation to perform any extra work.
- Purchaser shall not prematurely subject the work to any type of traffic; loads in excess of the design capacity before proper cure, or in a manner which may damage the work. Contractor is not responsible for graffiti, tire tracks, animal or human footprints, etc., on finished concrete/asphalt.
- Contractor shall not be bound to any construction schedules unless agreed to in writing by Contractor. If no schedule is established, Contractor will undertake the work in the course of its normal operating schedule.
- Contractor will not be responsible for construction or material failures or delays in construction caused by any factor beyond its control, including, but not limited to, delays or failures caused by weather, acts of God, delays in transportation, acts of suppliers and subcontractors, acts of the Purchaser, Owner or its separate contractors, fuel or raw material shortages, plant failures, or any other cause beyond its control.
