Hi Sammy,

Please forward this email to Hanks, Mayor Bell & all the councilors.
Thank you.

As I begin week 4 of not hearing from city administrator or any elected official of Coburg government, I ponder what the repercussions would have been if I had waited for over 3 weeks to respond to a customer's inquiry when I was running a business.

Last I checked there are less than 600 households in Coburg. And yet one household's inquiry and request for an explanation takes this long to discuss, contemplate? Meanwhile I sit and wonder if I should sell my wedding ring to pay for watering my vegetable garden.

My greatest disappointment is your lack of giving a damn.

What matters to a constituent, should matter to you.

I am just one person, one household. But I know that there are lots of mumblings and grumblings in Coburg about the system that makes decisions "for us."

I'm frustrated beyond words.
