RE: Domestic water to Eugene Premier RV Resort, LLC

33022 Van Duyn Rd, Eugene, OR 97408

Dear Ms. Heath,

Thank you for the productive meeting with your staff concerning the extension of the city water line to our property.

Based on our discussion with you and your staff we propose the following:

1. The City of Coburg extend the water line the approximately 71 feet to reach our south property line at its cost.
2. The city installs a water meter (which shall be paid for by Eugene Premier RV Resort LLC) sized to serve our resort as determined by our engineer.
3. Eugene Premier RV Resort will hire an engineer at its expense to determine the size of meter, and supply pipe needed to service the resort and the required back flow device to meet the city standards.
4. The city will keep us apprised of the progress in getting the state permit and will review our engineering as we wait for the state permit so that we can begin construction of our water line as soon as the state permit is issued.

Time is of the essence for this project. We cannot predict how long our domestic water wells will have sufficient flow to provide the potable water for our resort.

Please share this letter with the mayor and council members.

We remind the city that we have been promised water for almost 18 years and the proposed hook up date has been moved back at least 4 times in the last 4 years.

We do not want to have to litigate this issue but are prepared to do so should the city again fail to perform as promised.

Very Truly Yours,

Paul Williams
