SUMMARY AND REQUESTED COUNCIL ACTION

City Provide Oregon Liquor and Cannabis Commission an acknowledgment of an application for a new ownership, commercial full on-premises liquor licenses.

Suggested Motion

Approval of the consent agenda means that the City Council has reviewed a liquor license application for 91109 N Willamette Street and is neutral on OLLC’s decision to grant or deny Farm Fancy, LLC, Off-Premises Liquor License.

BACKGROUND

An Off-Premises Liquor License application was received on November 20, 2024, from Farm Fancy, LLC. at 91109 N Willamette Street, Coburg, Oregon 97408.

ORS 471.164 requires applicants to acquire a recommendation that the license be granted or denied from the City Council. The Oregon Liquor and Cannabis Commission (OLCC) may take the recommendation that the license be granted or denied into consideration.

Farm Fancy, LLC has had an Off-Premise Liqueure license since 2016 to sell wine from the store. Oregon Liquor and Cannabis Commission converted to a new online liquor licensing and permit program this year. Farm Fancy, LLC permit expired before the conversion was completed. OLLC requires them to get a new license to continue selling wine.

OLCC requires businesses in the City of Coburg that have liquor licenses to renew with the City annually. This allows the City Council to address concerns that may arise during the year.

NEXT STEPS

If the Council approves, the recommendation in section 3 will be completed stating “No Recommendation/Neutral” and returned to the applicant.
